JOINT ANNOUNCEMENT

OUTBACK METALS LIMITED – TAKEOVER BID FOR QUEENSLAND ORES LIMITED

Outback Metals Limited (ASX Code: OUM) today advises that following negotiations with the Board of Queensland Ores Limited (ASX Code: QOL) OUM intends to make a takeover bid for all the issued ordinary shares in QOL (**Offer**). The QOL board intends to support the Offer in the absence of a superior proposal being received and providing an independent expert concludes the Offer is fair and reasonable.

The terms of the Offer are set out in the attached copy of the Takeover Bid Implementation Agreement (**TBIA**) signed today by OUM and QOL.

KEY POINTS:

- Scrip-only Offer whereby QOL shareholders will receive 1 (one) fully paid ordinary share in OUM for every 4.79 (four point seven nine) issued and fully paid QOL shares.
- If the Offer is successfully completed, QOL shareholders will hold 23% of the combined entity.
- Based on the closing price of OUM shares when last quoted on 10 February 2009, the Offer represents a 16% premium to the price of Queensland Ores' shares; and
- OUM currently holds 1.25 million shares in QOL.

Both OUM and QOL acknowledge that OUM will use its best endeavours to secure additional funding to ensure the ongoing commercial activities of the company.

The Offer will be subject to the conditions set out in the TBIA annexed hereto including:

- acceptance in respect of a minimum of 90% of the issued ordinary shares in QOL;
- QOL or its subsidiaries retaining their current interest in any of its Mining Leases or exploration tenements;

- QOL or any of its subsidiaries becoming subject to external administration or otherwise becoming insolvent;
- any necessary government and regulatory approvals being obtained.
- OUM lodging its Bidder's Statement and having the offer open for the period detailed in the timetable (as set out in the Schedule 3 to the TBIA).
- the Offer (and OUM's intention to make the Offer) being subject to other defeating conditions usual in such transactions (as set out in the Schedule 1 to the TBIA).

Chris Jordinson, the CEO of Outback Metals Limited, commented "OUM has provided QOL with short term funding as previously announced and since then, OUM has concluded that QOL's assets are complementary to those projects held by OUM. OUM believes there are synergies between the two companies and that a merged entity will add better value to shareholders of both OUM and QOL going forward. In addition, OUM believes that its management team will be able to contribute, particularly to the Wolfram Camp Project, and there is a reasonable possibility that the Wolfram Camp Project be returned to production."

Roger Marshall, the Chairman of Queensland Ores Limited, commented "QOL has not been able to secure appropriate funding to continue operations at the Wolfram Camp Mine. The Offer from OUM gives QOL shareholders an opportunity to be part of a company with a chance for future growth. The board of QOL is supporting this bid in the absence of a superior offer, subject to an independent expert concluding the Offer is fair and reasonable and with the acknowledgement that the combined entity will require further funding to return the company to producer status."

9.2 Exceptions to the prohibition

- (a) Despite the above exclusivity restrictions, after the Offer is announced to ASX, QOL may:
 - (1) continue discussions or negotiations with Nominated Parties; or
 - (2) enter into discussions or negotiations in response to any unsolicited proposal:
 - (A) that on receipt of written advice from its advisers, it reasonably considers could lead to a Superior Proposal; and

If QOL's constitution limits the number of directors that may be appointed so as to prevent the total number of appointments contemplated by this clause QOL will ensure that directors other than the persons nominated by OUM exercise their voting rights in a manner to give practical effect to the intent of this clause.
