

MARKET ANNOUNCEMENT

FY2009 Market Guidance

Sydney, July 27, 2009 - Further to the announcement made to the Australian Stock Exchange on 20 July 2009, the Company anticipates growth in underlying earnings to be in the range of 10% to 20% for the financial year ending June 2009, based upon the Company's preliminary management accounts and subject to audit. The Company's formal profit announcement date is scheduled for late August 2009.
