

5 May 2009

The Manager  
Company Announcements Office  
Australian Securities Exchange

## **IBA Equity Raising**

Following final reconciliation of the retail rights entitlement offer, IBA advises that a total of 59,874,509 shares were issued under the retail portion of the rights issue and IBA Health Group Limited now has 998,818,861 shares quoted on the ASX.

On 5 May 2009 IBA Health Group Limited (ASX: IBA) changed its name and from 8 May 2009 will be quoted on the ASX as iSOFT Group Limited (ASX: ISF).

Yours sincerely

Howard Edelman  
General Counsel and Company Secretary

### **About iSOFT Group Limited**

iSOFT Group Limited (ASX-ISF) is the largest health information technology company listed on the Australian Securities Exchange, and trades globally under the name 'iSOFT'.

iSOFT builds software applications for healthcare. We work with healthcare professionals to design and build solutions that answer all of the difficult questions posed by today's care delivery challenges. Our solutions act as a catalyst for change, supporting the free exchange of critical information across diverse care settings and participant organisations. We are the leader in the provision of advanced application solutions in modern healthcare economies around the world

Today, over 13,000 provider organisations in 38 countries across five continents use iSOFT's solutions to manage patient information and drive improvements in their core processes. The group's sustainable development is delivered through careful planning, in-depth analysis of our market and anticipation of evolving requirements. Our business is driven by the collective talent, experience and commitment of more than 4,600 specialists around the globe, including over 2,300 technology and development professionals.

A global network of iSOFT subsidiaries, supported by an extensive partner network, provides substantial experience of national healthcare markets. As a result we offer our customers comprehensive knowledge of local market requirements, in terms of culture, language, working practice, healthcare regulation and organisational structure.
