## **Pre-Trading Halt Announcement**

**Notice has been given of a meeting of unitholders of the International Wine Investment Fund (IWI) to be held on 25 June 2009 for the purposes of considering a reconstruction of IWI. Details of the proposed reconstruction are set out in the explanatory memorandum accompanying the notice of meeting.**

**It is the intention of Berren Asset Management Limited (Berren), as responsible entity of IWI to apply to ASX for a trading halt in IWI units that will continue until the commencement of trading on 26 June 2009 if the reconstruction resolution is not passed.**

**If however the reconstruction resolution is passed, trading in IWI units will not resume on ASX and Berren will request ASX that IWI be removed from the official list. Accordingly, if unitholders do not wish to participate in the reconstruction, they should seek to dispose of their securities on ASX not later than 25 June 2009 because, if the reconstruction is approved, the resultant securities will not be listed on ASX.**
