Dear Kate,

Request for Trading Suspension

I refer to our previous request for a trading suspension in order for the company to complete a capital raising. Kentor Gold Limited (ASX Code: KGL) requests a extension to the suspension of trading in its securities.

For the purposes of listing rule 17.2, Kentor provides the following information:

- Kentor Gold is in the process of negotiating the terms of a share placement for the purposes of raising capital. An additional day is required finalise the placement.
- It is expected that the company will recommence trading by 10am, Friday 18th September 2009.
- Kentor Gold is not aware of any reason why the extension should not be granted.
