RE: ETC cash position enhanced by Nexcode receipts

The Directors of Entertainment Media & Telecoms Corporation Limited (ETC) are pleased to announce that the Company's cash balance as of 15th June 2009 is in excess of \$A10,000,000 (\$A ten million), as a result of receiving significant cash payments from sales of our Nexcode national security solution.

While it is not our policy nor intention to report cash receipts from our customers, the Directors feel that this is a market sensitive event and widely awaited by the market, and therefore make an exception in this case.

The Directors maintain that we are on track to deliver A\$48m NPAT for FY 2009, and it is our expectation that the final cash position for FY 2009 will show additional cash flows from Nexcode sales.

Yours Faithfully,
