### Fletcher Building Share Purchase Plan issue price and scaling

Auckland, 20 May 2009 - Fletcher Building Limited ("Fletcher Building") advises that the Issue Price for the \$100 million Share Purchase Plan ("SPP") has been confirmed at NZ\$5.35 per share. This is the same as the institutional placement price and is less than a 3% discount to the volume weighted average price of Fletcher Building shares over the pricing period of 6 to 19 May 2009.

As previously announced, the SPP was over-subscribed meaning that all applications have been scaled back in accordance with the terms and conditions of the SPP offer.

Based on the issue price of \$5.35 and the NZ\$/A\$ exchange rate of 0.77665 as at 9.00 a.m. today, all valid applications have been scaled back on a pro-rata basis by applying a percentage of 56.559426% to application monies. By way of illustration, for a shareholder who applied for the maximum of NZ\$11,500 or A\$9,000 of shares, the effect of the scaling is set out in the table below.
