General terms

1 Appointment as prime broker

1.1 Appointment

The Customer in its capacity as trustee and manager of the Scheme appoints UBS as prime broker with the power to:

- (a) carry out the services referred to in clause 1.2;
- (b) perform the functions otherwise expressly or by implication given to UBS under this agreement; and
- (c) take any action which UBS reasonably determines is necessary or desirable in connection with the carrying out of the services and functions under this agreement.

1.2 Services

As prime broker UBS will provide the following services to the Customer:

- (a) borrowing and lending of securities;
- (b) the settlement of transactions that the Customer has entered into with a third party broker;
- (c) cash loans;
- (d) other services as agreed between the parties from time to time.

1.3 Variation of Services

UBS may vary from time to time the services it will provide to the Customer and the charges associated with those services by prior notice in writing.

1.4 Co-operation

The Customer agrees to ratify and to confirm or to do, or procure the doing of, anything necessary to complete UBS's actions under this agreement.

1.5 Single Agreement

All cash advances to the Customer and securities loans made under this agreement, and any UBS Transactions, are entered into in reliance on the fact that this agreement, the UBS Customer Agreement and any schedules or confirmations concerning those advances, securities loans and UBS Transactions form a single agreement between the parties (collectively referred to as "this agreement") and the parties would not otherwise enter into any of those transactions other than in accordance with this agreement. To the

extent that there is an inconsistency between this Prime Brokerage Agreement and a UBS Customer Agreement, this Prime Brokerage Agreement prevails.

1.6 Data Confidentiality and Use

Subject to 1.7, neither UBS nor the Customer will disclose any confidential information relating to the other party except as permitted by these Terms or as required by applicable laws or regulations.

1.7 Permitted Disclosure

Any Connected Company (being UBS AG and any company in which UBS AG from time to time, directly or indirectly, has a shareholding representing 10% or more of the issued share capital for the time being of that company and includes any directors, officers or employees of any such company) instructed by UBS to carry out any of your transactions may disclose confidential information relating to the Customer:

- (a) as required or permitted by law or judicial process;
- (b) as required or requested by any competent authority, including, without limitation, any regulatory or enforcement organisation, any self-regulating organisation, any investment exchange, or any person or body providing clearing and/or settlement services, ("Competent Authority") whether or not acting pursuant to any statutory authority, whether based in UBS's jurisdiction or abroad, and whether the Competent Authority has required or requested that disclosure be made to it or to any other person;
- (c) where the Customer has defaulted in the performance of their obligations under a Customer Agreement or any other agreement with UBS or under any agreement into which UBS has entered on behalf of the Customer, whereupon UBS may disclose to any interested person your name, address and such other information as UBS deems necessary or as that person reasonably requests;
- (d) where a counterparty to a transaction into which UBS is to enter into on your behalf reasonably requests information about you, including to enable that counterparty to assess the credit-risk you represent;
- (e) where UBS believes it is necessary or desirable in connection with the performance or exercise by UBS of UBS's duties and/or rights under the Customer Agreements or any other agreement between UBS and the Customer;
- (f) to Connected Companies, professional advisers or service providers (whether a Connected Company or not) in any jurisdiction;
- (g) to those officers, employees, agents or advisers engaged, in the course of their duties of employment, in activities relating to the performance or exercise by UBS of UBS's obligations or rights under or pursuant to the Customer Agreements or any other agreement between UBS and the Customer;

- (h) to any other person to (or through) whom UBS assign or transfer (or may potentially assign or transfer) all or any of UBS's rights and obligations pursuant to any of the services or proposed services provided or to be provided by UBS; and
- (i) where the information has previously been publicly disclosed otherwise than as a result of a breach of this clause 1.7.

1.8 Disclosure to a Competent Authority

If UBS, or any Connected Company instructed by UBS to carry out any of the Customer's transactions, is required or requested by a Competent Authority to provide information relating to the Customer or, if the Customer is an intermediary, your client, the Customer agrees to provide the requested information and will not rely on or assert any right of confidentiality or secrecy. If you are an intermediary, you hereby confirm that you have already taken all reasonable steps to ensure that your client will not be entitled to, and will not, rely on or assert any right of confidentiality or secrecy in respect of information requested by a Competent Authority, but instead has waived any such right to the fullest extent permitted by law.

1.9 No Obligation to Disclose Interest in Financial Products or Services

Neither UBS nor any affiliated person will have any obligation to disclose to the Customer, or any other client, the nature or extent of any interest UBS or any affiliated person has in any financial product or financial service, unless obliged to do so by any applicable regulations.

1.10 Recording of Communications

The Customer, and any person connected to or representing the Customer, accept that all communications (including telephone conversations) between the Customer and UBS may be recorded by UBS as evidence of those communications and for quality management and compliance purposes. Such recordings will be UBS's sole property, will in the absence of manifest error be conclusive evidence of the communications recorded and may be used as evidence in the event of a dispute. If the Customer has made similar recordings, they will be accorded similar status.

1.11 Completeness of Information

The Customer warrants that the information they provide to UBS from time to time is complete, true and correct, and UBS is entitled to rely on such information until UBS receives written notice from the Customer of any changes therein.

1.12 Processing Information

UBS may use, store or otherwise process ("Process") any personal information ("Personal Information") about the Customer or your shareholders, officers, employees, agents or representatives ("Connected Persons") provided by the Customer or your Connected Persons to UBS under, or otherwise acquired by UBS in connection with, the Customer Agreements or any other agreement UBS have with the Customer. UBS and UBS's Connected Companies, professional advisers or service providers

(whether a Connected Company or not) in any jurisdiction, may Process such Personal Information for the purposes of administering the Customer Agreements or any other agreement UBS have with you, client onboarding, anti money laundering, credit checking, providing services to UBS and/or the Customer, complying with UBS's legal and regulatory obligations, marketing financial services and products from UBS or third parties to the Customer or your Connected Persons and other purposes (the "Purposes"). UBS may retain such Personal Information, in accordance with UBS's data retention policies, after UBS's agreement with you under the Customer Agreements or any other agreement UBS have with the Customer terminates.

1.13 Disclosure for Proper Purpose

For the Purposes only, UBS may transfer or disclose ("Disclosure") Personal Information to the categories of person and in the circumstances identified in clauses 1.7 (a) to (i) (which apply to disclosures of Personal Information as well as confidential information), wherever located throughout the world (including in countries without strong data privacy laws, although UBS will always protect your Personal Information in accordance with this Agreement).

1.14 Consent

By agreeing to this Agreement, the Customer freely consents to the Processing and Disclosure of your Personal Information as discussed in clauses 1.12 and 1.13 and warrant that you have obtained, or will at the relevant time have obtained, the consent of your Connected Persons to such Processing and Disclosure of their Personal Information and provided them with the other information set out in clauses 1.14 and 1.15. The Customer also agrees that the Purposes may be amended to include other uses or disclosures of Personal Information (compatible with the original Purposes for which the Personal Information was collected) following notification to you (which you should pass on to any affected Connected Persons) and you warrant that you have obtained, or will at the relevant time have obtained, the corresponding consent of your affected Connected Persons). Further details of our privacy policy are available on request from UBS or on UBS's website – www.ubs.com.

1.15 Customer Rights in relation to Personal Information

The Customer may request at any time that UBS not use Personal Information about the Customer for direct marketing purposes. The Customer and your Connected Persons may also have rights of access to, and correction of, the Personal Information that UBS hold about you or them, and, in some circumstances, to object to UBS processing of this Personal Information under data privacy laws. To exercise any of these rights, please contact your regular UBS contact person.

2 Settlement of securities transactions

2.1 Settlement through execution brokers

UBS will settle Transactions as agent for the Customer with any executing broker, including UBS Securities. If UBS Securities, or any other Related

Entity of UBS, is the executing broker, a separate agreement will set out the terms of the agreement between UBS Securities and the Customer with regard to the execution of Transactions.

2.2 Time for instructions

The Customer must give UBS instructions to settle a Transaction in accordance with clause 2.1 by 5pm (Sydney time) on the Business Day of the transaction.

2.3 Sell orders

Where the Customer gives a sell order to UBS, the Customer must designate the sell order as either long or short. A sell order that is not designated is deemed to be long. The designation of the sell order as long constitutes a certification that the securities to be sold are owned by the Customer. If such securities are not in UBS's possession, by placing such an order the Customer warrants that the Customer will deliver the securities to UBS on or before that date on which the sell order is to be settled. The Customer agrees to indemnify UBS for any costs, expenses or losses suffered or incurred by UBS as a result of the Customer's failure to deliver securities in accordance with this clause.

2.4 Securities transaction discrepancies and costs

The Customer is responsible for the resolution of discrepancies in relation to Transactions settled by UBS and is liable for all costs and Taxes as a result of, or in connection with, the Transaction.

2.5 Refusal

UBS may refuse to settle any Transaction for the Customer. UBS will notify the Customer of any such refusal giving reasons for such refusal. Unless agreed otherwise, UBS is only deemed to have agreed to settle a Transaction upon it actually settling that Transaction.

2.6 Best efforts

Subject to clause 2.5, UBS will use its best efforts to settle all Transactions.

2.7 No confirmation

UBS will not confirm securities transactions with the executing broker.

2.8 Liability of UBS

UBS shall not be responsible and is not liable for:

- (a) any loss on settlement of any Transaction;
- (b) any acts or omission of the executing broker or its employees or agents;
- (c) compliance with any regulatory requirement to report Transactions to the Stock Exchange or any other securities exchange or regulatory

body or any other regulatory reporting or notification requirements in respect of any Transaction or any Assets; or

- (d) refusing to settle any Transaction or failing to promptly notify the Customer of refusing or failing to settle a Transaction.

3 Advances

3.1 Cash advances

UBS may, in its sole discretion, make cash advances to the Customer at any time up to the Credit Limit.

3.2 Calls

UBS may call on demand any cash advance made in accordance with clause 3.1 and the advance is repayable in accordance with such demand.

3.3 Interest

Interest will accrue on all cash advances daily at the rate specified in the fee schedule provided to the Customer as updated by UBS from time to time and the Customer must pay such interest at the time and in the manner required by UBS.

3.4 Gross Up for Withholding tax

If a law requires the Customer to deduct an amount in respect of Taxes from a payment under this agreement such that UBS would not actually receive on the due date the full amount provided for under this agreement, then:

- (a) the Customer agrees to deduct the amount for the Taxes (and any further deduction applicable to any further payment due under paragraph (c) below); and
- (b) the Customer agrees to pay an amount equal to the amount deducted to the relevant authority in accordance with applicable law and give the original receipts to UBS within 10 Business Days after the day on which the original receipts were issued; and
- (c) the amount payable is increased so that, after making the deduction and further deductions applicable to additional amounts payable under this clause, UBS will receive (at the time the payment is due) the amount it would have received if no deductions had been required.

3.5 Use of cash advances

The Customer may only use the proceeds of any cash advance for the purpose of Transactions. The Customer may not use a cash advance, directly or indirectly, for the purpose of making a takeover offer which when completed would result in the Customer or any person controlling the Customer or under the Customer's control acquiring control of any legal entity. The Customer

may not publicise the making by UBS of a cash advance (except where required by law or regulation).

4 Fees and charges

4.1 Fee schedule

UBS is entitled to receive fees and charges in accordance with the fee schedule provided to the Customer and updated by UBS from time to time.

4.2 Other amounts

Except as otherwise provided in this agreement, the Customer agrees to indemnify UBS against all Taxes and other costs and expenses (including, without limitation, commissions) that UBS incurs as a result of or in connection with the services it provides to the Customer under this agreement.

4.3 Authority

The Customer authorises UBS to deduct any amount due under this clause 4 from the Cash Account.

5 Margin

5.1 Margin Requirement

UBS may determine and vary at any time, in its discretion, the Margin Requirement from the Customer with respect to obligations of the Customer to UBS pursuant to this agreement and any UBS Customer Agreement, and the acceptable cash or assets or both to meet that demand.

5.2 Notice of Margin Requirement

UBS will give notice in writing to the Customer specifying:

- (a) the Outstanding Margin Requirement;
- (b) the types of cash and/or Assets which will be accepted by UBS as Margin; and
- (c) the Valuation Percentage.

UBS may not give notice unless the Outstanding Margin Requirement specified exceeds the minimum size of margin calls specified in schedule 4.

5.3 Time for payment

The Customer must meet any demand for Outstanding Margin Requirement by delivering Collateral:

- (a) in the case of cash – on the same Business Day as the demand for the Outstanding Margin Requirement if the demand is before or on the

Notification Time or the next Business Day if the demand is made after the Notification Time; or

- (b) in the case of assets other than cash – as agreed between the parties.

5.4 Late payment

If the Customer does not meet a demand for Outstanding Margin Requirement in accordance with the time specified in clause 5.3:

- (a) the Customer is liable to pay the Overdue Margin Interest Rate on the amount of the Outstanding Margin Requirement demand it has failed to meet; and
- (b) UBS may declare an Event of Default.

5.5 Excess

If the value of the Collateral held by UBS exceeds the Margin Requirement in respect of the Customer, UBS may repay the amount of that excess to the Customer when requested by the Customer in writing. Any such repayment shall be made subject to clause 6.3 and by close of business on the Business Day following such request.

5.6 Registration of charge

The Customer acknowledges that UBS may file or register details of the Security in appropriate jurisdictions. The Customer undertakes to do all things necessary to assist in the creation of an effective charge.

5.7 Encumbrances

The Customer warrants that all assets transferred to UBS as Collateral are free of any Encumbrances at the time such assets are transferred to UBS and will remain free from any Encumbrances while the Assets are held by UBS as Collateral.

6 Payments and Transfers

6.1 Cash

If the Customer is required to pay an amount of cash to UBS under this agreement, the Customer must pay such amount of cash into the bank account or accounts specified by UBS.

6.2 Assets

If the Customer is required to transfer assets to UBS under this agreement, the Customer must transfer or cause the Custodian (including by directing UBS to issue Proper Instructions) to transfer such assets in accordance with the market convention for assets of that type to UBS or such other person as specified by UBS.

6.3 Payments and transfers by UBS

Any obligation of UBS to pay or repay any amount of cash or deliver or redeliver any Asset to the Customer or the Custodian under this agreement is conditional on the Margin held by UBS after the payment or delivery exceeding the Margin Requirement in respect of the Customer.

6.4 Documents and instructions for transfer

For all deliveries under this agreement, the parties agree to execute and deliver all documents and give all instructions necessary for all right, title and interest in the securities or Collateral to be transferred.

7 Custody

7.1 Appointment

The Customer must appoint UBS Nominees Pty Ltd or another person approved by UBS to be the custodian to hold the Custodial Assets.

7.2 Custodian Agreement

The custody agreement between the Customer and the Custodian must be in a form approved by UBS and allow for UBS to be appointed as the sole person authorised to give instructions to the Custodian in relation to the Custodial Assets while this agreement continues in effect or the Customer has any liabilities to UBS arising from this agreement.

7.3 Authority to UBS

The Customer must irrevocably appoint for the period referred to in clause 7.2 UBS as the sole person (to the exclusion of the Customer and its officers) authorised to give instructions on behalf of the Customer to the Custodian in relation to all dealings with the Custodial Assets.

7.4 Authorisation of UBS

The Customer authorises UBS to give instructions on behalf of the Customer to the Custodian in relation to all dealings with the Custodial Assets:

- (a) to do anything that this agreement contemplates (either expressly or by implication) will be done by UBS;
- (b) to do anything which, in the opinion of UBS, is incidental to, or necessary or desirable in connection with, any act referred to in paragraph (a) above; or
- (c) to do anything which UBS is directed to do by the Customer.

7.5 Withdrawal of Assets

In no circumstances is UBS obliged to issue instructions to the Custodian to transfer Custodial Assets if UBS has not consented to the release of the Custodial Assets from the Charge.

7.6 Encumbrances

The Customer warrants that all Custodial Assets which are transferred to or otherwise from time to time held by the Custodian are free of any Encumbrances and will remain free from any Encumbrances while the Assets are held by the Custodian except the Security and any lien routinely imposed on all securities in a relevant clearing system approved by UBS.

8 Securities loans

8.1 Request and acceptance

UBS will lend securities to the Customer, and the Customer will borrow securities from UBS, in accordance with the terms and conditions of the ASLA and with the Rules. If any of the terms of the ASLA are inconsistent with any of the terms of this agreement, this agreement prevails to the extent of the inconsistency.

8.2 Delivery of securities

UBS may, in its discretion, elect to:

- (a) satisfy a Borrowing Request in full;
- (b) satisfy a Borrowing Request in part; or
- (c) reject a Borrowing Request.

8.3 Margin

Before making any Borrowing Request, the Customer must meet all existing calls for Outstanding Margin Requirement and have sufficient Margin available to UBS.

8.4 Use of loaned securities

Loaned securities may only be used by the Customer to settle the Customer's transfer obligations, and may not be transferred elsewhere except where the parties agree.

9 Default

9.1 Events of Default

Each of the following is an Event of Default:

- (a) **(non-payment or non-delivery)** the Customer does not pay or deliver on time any amount payable or asset deliverable by it under this agreement; or
- (b) **(cross default)** any present or future monetary obligations of the Customer or any of its Subsidiaries for amounts totalling \$100,000 are not satisfied on time (or at the end of their period of grace) or become prematurely payable.

(In this clause 9.1((b)), a “monetary obligation” means a monetary obligation in connection with:

- (i) money borrowed or raised; or
 - (ii) any hiring arrangement, redeemable preference share, letter of credit or financial markets transaction (including a swap, option or futures contract); or
 - (iii) a guarantee or indemnity in connection with money borrowed or raised); or
- (c) **(enforcement against assets)** distress is levied or a judgment, order or Encumbrance is enforced, or becomes enforceable, against any property of the Customer (whether in its capacity as trustee and manager or not) or any of its Subsidiaries; or
 - (d) **(incorrect representation or warranty)** a representation or warranty made by or for the Customer in connection with this agreement is found to have been incorrect or misleading when made; or
 - (e) **(insolvency)** the Customer or any of its Subsidiaries becomes Insolvent; or
 - (f) **(ceasing business)** the Customer or any of its Subsidiaries stops payment, ceases to carry on its business or a material part of it, or threatens to do either of those things except to reconstruct or amalgamate while solvent on terms approved by UBS; or
 - (g) **(appointment of manager)** a person is appointed under legislation to manage any part of the affairs of the Customer or any of its Subsidiaries; or
 - (h) **(Material Adverse Event)** an event occurs which is or is likely to be (or a series of events occur which, together, are or are likely to be) a Material Adverse Event; or
 - (i) **(unable or intend not to perform)** the Customer admits to UBS that it is unable or intends not to perform any of its obligations under this agreement; or
 - (j) **(non-compliance with other obligations)** the Customer fails to perform when due any other obligation under this agreement and the failure is not remedied by the end of the Business Day following the Business Day on which written notice from UBS of the failure is effective; or
 - (k) **(event of default under Customer Agreements)** a Customer Agreement is terminated due to an event of default (howsoever described) under a Customer Agreement; or
 - (l) **(breach of security)** there is a breach of any of the terms of the Security; or

- (m) **(voidable charge)** the Security or a transaction in connection with it is or becomes (or is claimed to be) wholly or partly void, voidable or unenforceable or does not have (or is claimed not to have) the priority which UBS as the chargee intended it to have (“claimed” in this paragraph means claimed by the chargor in that Security or any of its Related Entities or anyone on behalf of any of them); or
- (n) **(prejudice to right of indemnity)** the Customer’s right to an indemnity out of the assets of the Scheme is reduced or lost in any way or the Customer disclaims it’s right of indemnity; or
- (o) **(ceasing to be trustee and manager)** the Customer does or participates in any act or enters into any agreement which might bring about its removal or retirement as trustee and manager of the Scheme or the trustee and manager ceases to be trustee and manager of the Scheme; or
- (p) **(Scheme terminated)** the Scheme is terminated, or a resolution that it be terminated is passed by the Customer or by other persons having the power to initiate the termination of the Scheme; or
- (q) **(Statement breach)** the Customer fails to deliver the statements set out in clause 14 in accordance with the times set out in Schedule 2; or
- (r) any event of default specified in Schedule 5.

Failure by the Customer to comply with any period for remedy notified by UBS will constitute an event of default under this clause.9.1.

9.2 Notification

The Customer must notify UBS immediately if an Event of Default occurs, or an event which with the passing of time, giving of notice, expiry of any applicable grace period or the making of any determination by UBS may constitute an Event of Default for the Customer.

9.3 Consequences of default

If an Event of Default occurs, UBS may by notice to the Customer:

- (a) terminate any cash advances made under clause 3;
- (b) terminate any loan of securities under clauses 8, 10.2, 10.5 and 10.6;
- (c) terminate (including by way of close out) any other transactions or positions entered into in connection with this agreement (including in connection with transactions entered into under UBS Customer Agreements) which have not been completed, or which are outstanding (including the holding of Collateral, any hedging or other derivative transaction and any purchase or sale of securities which has not been completed).

No further payments or deliveries are then required in respect of those terminated items, except as provided for in clause 9.4.

9.4 Determination of amounts notionally payable on termination

If UBS gives a notice in accordance with clause 9.3, UBS is to calculate, in its discretion, the value (represented by an Australian dollar amount) of each item terminated under clause 9.3. Each value is to be represented by an amount either notionally payable to UBS by the Customer or notionally payable by UBS to the Customer. (The intention behind these calculations is to place a monetary value on every right and liability of the Customer existing in connection with transactions contemplated by this agreement (including those entered into UBS Customer Agreements) to enable calculation of a net amount owed to or by the Customer in connection with this agreement (including under UBS Customer Agreements)).

9.5 Calculating the amount payable on termination

The total of all amounts notionally payable by UBS is then to be subtracted from the total of all amounts notionally payable to UBS. (The total of all interest, costs, expenses and all other amounts payable to UBS by the Customer under this agreement is also to be included in the total of all amounts notionally payable to UBS). If the result is a positive number, then the Customer must pay that amount to UBS by close of business on the same Business Day that such notice is given. If the result is a negative number, then (subject to UBS's right to set off against that amount any other obligation of the Customer to UBS) UBS must pay the absolute value of that amount to the Customer. The Australian dollar equivalent amount of a foreign currency amount will be determined by converting the foreign currency amount at the rate at which UBS reasonably considers appropriate.

9.6 Liability for losses

The Customer is liable for any losses incurred by UBS as a result of an Event of Default. Interest accrues on any amount payable by the Customer under this clause 9.5 on a daily basis at the rate of the internal rate of funding for UBS plus 2% per annum.

9.7 Exercise of Security

If the Customer fails to pay any amount due to UBS in accordance with clause 9.4, UBS may, without the need to give further notice, exercise its rights under the Security including requiring delivery to it of all or any of the Custodial Assets and the sale of those Custodial Assets.

10 Client Money and Assets

10.1 Client money

Except as required by the Corporations Act or the Rules, cash held as Collateral is not subject to the protections conferred by any client money rules and, as a consequence, will not be segregated from UBS's own money and will be used by UBS in the course of its business. Cash so held will be owed by UBS on a debtor/creditor basis and not held by UBS as custodian upon trust for the Customer. The Customer will rank as one of UBS's general creditors in the event of UBS becoming Insolvent.

10.2 Custodial Assets

UBS may request the Custodian at any time to pay or deliver to UBS any of the Custodial Assets, provided that UBS may only request the Custodian to deliver to UBS Custodial Assets which are ASX listed securities if such delivery would not cause UBS to have a 'relevant interest' for the purposes of the Corporations Act 2001 (C'th) of greater than 18% in any ASX listed entity. Subject to clauses 10.3, 10.4, 10.5 and 10.6 the Customer agrees that any Custodial Assets which UBS requests the Custodian to pay or deliver to UBS, or any Collateral, may be used by UBS for UBS's own account (including to borrow, lend, charge, re-hypothecate, dispose of or otherwise use for its own purposes) and in respect of UBS's obligations (or those of other customers of UBS) and, as a consequence, those Assets are not held by UBS for the Customer or the Custodian. UBS will have a contractual obligation to return equivalent Custodial Assets to the Custodian in accordance with clause 10.6. The Customer and the Custodian will in relation to the obligation to return equivalent Custodial Assets rank as one of UBS's general creditors in the event of UBS becoming Insolvent. Subject to clause 4.2 of the ASLA, UBS may retain all fees, profits and other benefits received in connection with such activities.

10.3 Express Authorisation for Collateral

Without limiting UBS's right to request transfer of any of the Custodial Assets under clause 10.2, the Customer expressly authorises UBS in its discretion to:

- (a) identify any Collateral as being held as margin or security against a particular obligation of the Customer under this agreement or against an UBS Transaction;
- (b) subject to clauses 10.2 and 10.5, transfer any Custodial Assets to UBS expressly as Collateral for any obligations of the Customer under this agreement or an UBS Transaction; and
- (c) transfer the proceeds of a cash advance made to the Customer to any Related Entity to satisfy any margin or security requirement of a Related Entity in relation to a Transaction (provided that the Customer and UBS have previously agreed in writing that the Transaction is a Transaction to which this clause 10.3 applies).

10.4 No Derogation from Liability to provide Collateral

The authorisation of UBS set out in clause 10.3 does not derogate from the Customer's obligation to meet a demand for Outstanding Margin Requirement under clause 5.3 or any margin or security requirement owed to a Related Entity.
