NOTES TO THE CONDENSED CONSOLIDATED FINANCIAL STATEMENTS

FOR THE HALF YEAR ENDED 31 DECEMBER 2017

NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES

Basis of preparation of the Condensed Consolidated Financial Statements

This general purpose half year financial report has been prepared in accordance with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Act 2001*. Compliance with AASB 134 ensures compliance with International Financial Reporting Standards IAS 34 *Interim Financial Reporting*.

It is recommended that this financial report be read in conjunction with the 2017 Annual Report and any public announcements made by the Company during the half year, in accordance with the continuous disclosure requirements of the *Corporations Act 2001*.

The condensed financial statements have been prepared on the basis of historical cost, except for the revaluation of certain non-current assets and financial instruments. Cost is based on the fair values of the consideration given in exchange for assets. All amounts are presented in Australian dollars, unless otherwise noted.

The accounting policies and methods of computation adopted in the preparation of the half year financial report are consistent with those adopted and disclosed in the company's 2017 annual financial report for the financial year ended 30 June 2017, except for the impact of the Standards and Interpretations described below. These accounting policies are consistent with Australian Accounting Standards and with International Financial Reporting Standards.

The Group has not applied any Australian Accounting Standards or AASB interpretations that have been issued at balance date but are not yet operative for the half year ended 31 December 2017 ("the inoperative standards"), except for AASB 9. The impact of the inoperative standards has been assessed and the impact has been identified as not being material. The Group only intends to adopt inoperative standards at the date at which their adoption becomes mandatory.

The adoption of the various Australian Accounting Standards and Interpretations in issue but not yet effective will not impact the Group's accounting policies. However, the pronouncements will result in changes to information currently disclosed in the financial statements. The Group does not intend to adopt any of these pronouncements before their effective dates.

The following significant accounting policies have been adopted in the preparation and presentation of the half year financial report from 1 July 2017 to 31 December 2017.

(a) Holdings of Securities

(i) Statement of Financial Position classification

The Consolidated entity has two portfolios of securities, the investment portfolio and the trading portfolio.

The investment portfolio comprises holdings of securities which the directors intend to retain on a long-term basis, and has been classified as a non-current asset.

The trading portfolio comprises holdings of securities held for short term trading purposes and is classified as a current asset.

(ii) Valuation of investments

Securities, including listed and unlisted shares, notes and options, are initially brought to account at cost (including any associated transaction costs) and are continuously carried at fair value.

Fair value for the purposes of valuing holdings of securities is determined by reference to market prices prevailing at balance date, predominantly last sale price, where the securities are traded on an organised market. Where a security is not so traded, its fair value is determined by the Directors.

(iii) Income from holdings of securities

Distributions relating to listed securities are recognised as income when those securities are quoted ex-distribution basis. Distributions relating to unlisted securities are recognised as income when received unless the distributions are capital returns in which case the amount of the distribution is treated as an adjustment to the cost base of the securities.

Auditor's Responsibility

Our responsibility is to express a conclusion on the half-year financial report based on our review. We conducted our review in accordance with Auditing Standard on Review Engagements ASRE 2410 *Review of a Financial Report Performed by the Independent Auditor of the Entity*, in order to state whether, on the basis of the procedures described, we have become aware of any matter that makes us believe that the half-year financial report is not in accordance with the Corporations Act 2001 including: giving a true and fair view of the company's financial position as at 31 December 2017 and its performance for the half year ended on that date, and complying with Australian Accounting Standard AASB 134 Interim Financial Reporting and the Corporations Regulations 2001. As the auditor of Pritchard Equity Limited, ASRE 2410 requires that we comply with the ethical requirements relevant to the audit of the annual financial report.

Auditor's Responsibility (cont'd)

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
