## OUTCOME OF CREDITORS' MEETING

Mark Robinson, Antony Resnick and Riad Tayeh were appointed Joint and Several Administrators of the above company on 10 March 2022.

Creditors resolved to accept the proposed Deed of Company Arrangement (DOCA) at the meeting of creditors held on 12 July 2022.

### Likelihood of Return to Shareholders

The likelihood of a return to shareholders depends primarily on the total amount of creditors' claims and the terms of the DOCA accepted by creditors. Our investigations into the Company's financial affairs and the terms of the DOCA have determined that there will be no return to shareholders.
