## Dividend Announcement

Logan Community Financial Services Ltd (NSX:LCB) has declared a 5cent per share dividend fully franked for the financial year ending 30<sup>th</sup> June 2022.

LCB FY22 results returned a solid outcome despite the challenges of operating in a low interest rate environment, enabling us to maintain our dividend level.

Mr Luckhardt said, "We are well established in our local market with loyal customers and have a strong core team of skilled, dedicated, and enthusiastic staff to take us forward.

Since posting our end of year results we have seen substantial interest rate rises. With the improvement in market conditions, we are confident with our forward-looking projections.
