NSX ANNOUNCEMENT

NEW PRODUCT RELEASE – VERIGROW FOLIAR SPRAY

Manufacturing company Veratin Limited (**NSX: VTN**) ("**VTN**") is pleased to announce it has today released a second product in its Verigrow® range. The Verigrow® spray is a ready-to-use foliar formulation that is suitable for all plants. The product requires no mixing and will appeal to customers that are looking for a product to use straight off the shelf. The foliar spray will be particularly convenient for indoor plants due to an absence of foul smell.

Verigrow® Foliar Spray

Founder and Executive Chairman, Dr Ramiz Boulos says, "We are excited to release a new product, adding to the Verigrow® family range. Our target market for this product are busy customers without a lot of time on their hands. By releasing this product, we aim to expand our customer base allowing the benefits of Verigrow® to reach a wider audience."
