## **Correction to FY23 Interim Report and results presentation**

Metroglass corrects FY23 Interim Report and Investor Presentation materials released on 29 November 2022.

### **Interim Report**

On page 11, line-item "Payments for intangible assets" read: "68"

There was an administrative error and this should be in brackets, representing a negative figure: "(68)"

The net cash (outflow) from investing activities is correct.

Accompanying this letter is an updated FY23 Interim Report. No other changes have been made to the FY23 Interim Report from that released to the market yesterday.

### **Results presentation**

On slide 10, in the table "key balance sheet items"

Lease liabilities read: 1H23 "73.5" 1H22: "53.1"

This should have read: 1H23 "80.5" 1H22 "59.8"

Accompanying this letter is an updated results presentation. No other changes have been made to the results presentation from that released to the market yesterday.
