**Seeka announces dividend of 13 cents per share**

Seeka Limited [NZX:SEK] advises that it has declared a Full Year dividend of \$0.13 per share in relation to the financial year ended 31 December 2021.

The dividend will be fully imputed, and the Dividend Reinvestment Plan will apply.

The dividend record date is 28 January 2022 and the dividend will be paid on 23 February 2022.

In early February 2022 Seeka expects to complete the acquisition of New Zealand Fruits Limited by way of amalgamation which will include consideration of new Seeka shares and cash.

The Full Year dividend is normally paid in April each year. This year the Full Year dividend date has been varied due to the issue of new shares to be issued ex-div in February.
