SENIOR TRUST RETIREMENT VILLAGE LISTED FUND EXPECTS TO PAY DISTRIBUTIONS AHEAD OF TARGET

14 March 2019

We are pleased to announce that the Senior Trust Retirement Village Listed Fund (“the Fund”) is planning to pay the distribution for the quarter ending 31 March 2019, at a rate of 6.5% per annum (before tax), ahead of the long term targeted distribution rate of 6%* per annum (before tax).

The Manager will continue to give prudent consideration to the Fund's future liquidity requirements before determining any distribution amount and the actual distribution rate may vary. The long term targeted distribution rate remains at 6%* per annum (before tax).

The Fund continues to investigate loans to carefully selected, well located and soundly run retirement village developments and aged care facilities. The Fund limits lending to a maximum of 60% of the valuation of the village, as determined by an independent registered valuer and quantity surveyor.
