About Plexure

Plexure is a mobile engagement software company. Global brands use the Company's products to engage consumers on mobile devices and drive them to store with personalised offers, mobile order and pay and loyalty. Plexure's software integrates with operational systems to remove friction and create a seamless purchase experience for consumers.

Plexure makes the sales process for physical retailers seamless, engaging and profitable by identifying where customers are, what they want and then facilitating their purchases.

The Company's technology platform and product offering covers five key capabilities:

- Mobile order and pay
- Next generation loyalty programmes
- Personalised offers
- Analytics
- Seamless operations integration

Brands that use Plexure see an increase in customer numbers and visit frequency, higher average transaction values, larger share of wallet and improved customer satisfaction scores.

The Company now has over 110 million end users on its platform in over 49 countries.

Plexure has offices in Auckland, Chicago, Atlanta, Tokyo and Copenhagen. Clients include McDonald's, 7-Eleven, Ikea, and Loyalty New Zealand.
