Windflow Technology Limited New Director Appointment

Windflow Technology Limited is pleased to announce the appointment of Duncan Eric James Currie as a director with immediate effect being 18 September 2017.

Duncan Currie is a practising international and environmental lawyer. He holds an LL.B. (Hons.) from the University of Canterbury in New Zealand and LL.M. from the University of Toronto in Canada.

He has practised international law and environmental law for over twenty years, and over that time has advised NGOs, corporations and governments on a wide range of environmental issues including climate change, renewable energy, law of the sea, whaling, fisheries, Antarctica, nuclear, liability, biosafety, toxic and chemical, climate change, forestry, mining, and waste issues.
