Updated Terms Sheet released

Auckland Council would like to make a correction to its previous announcement entitled “Final terms sheet released” which was released on NZX on 16 September 2020.

In the term sheet appended to the announcement, the web link included on page one under the “Purpose / Use of proceeds” heading should have been <https://www.aucklandcouncil.govt.nz/about-auckland-council/investor-centre/information-for-investors/Pages/green-bonds.aspx>.

Attached is the updated terms sheet.
