Announcement: Appointment of Group COO

Green Cross Health (NZX:GXH) is pleased to announce the appointment of Alison Van Wyk to the newly created role of Group Chief Operating Officer. Alison has been with Green Cross Health for 11 years and during that time she has held senior management roles within both the Pharmacy division and the Community Health division. Most recently Alison has held the role of Chief Executive of the Community Health Division.

In her new role, Alison retains responsibility for the Community Health division, and also takes on responsibility for the Pharmacy division.

Alison will commence her new position on 4 October.
