Network and connectivity issues related to technical changes by Spark

18 DECEMBER 2019 – NZX acknowledges the network and connectivity issues, which have impacted participants' connection to NZX markets recently.

These issues were due to technical changes implemented by NZX's network connection provider, Spark, and have now been resolved. Spark apologises for the disruption to the market.

NZX notes the support of market participants and appreciates their patience as we have worked to resolve these issues with our vendor.

About NZX:

For more than 150 years we have been creating opportunities for Kiwis to grow their personal wealth and helping businesses prosper. As New Zealand's Exchange, we are proud of our record in supporting the growth and global ambitions of local companies.

NZX operates New Zealand's equity, debt, funds, derivatives and energy markets. To support the growth of our markets, we provide trading, clearing, settlement, depository and data services for our customers. We also own Smartshares, New Zealand's only issuer of listed Exchange Traded Funds (ETFs), and KiwiSaver provider SuperLife. NZX Wealth Technologies is a 100%-owned subsidiary delivering rich online platform functionality to enable New Zealand investment advisors and providers to efficiently manage, trade and administer their client's assets.
