MARKET UPDATE – MELBOURNE STORE CLOSURES

Hallenstein Glasson Holdings Ltd advises that due to the Government in Victoria announcing the return to stay at home restrictions for metropolitan Melbourne, that 10 stores are now closed in Melbourne, the Chapel Street store remains open. All other stores in Australia, including the web, will continue to trade as normal. New Zealand stores are not affected.

The Group will continue to follow advice and monitor the situation closely to ensure an agile approach to reduce any adverse impact on trading and to protect our team and customers.
