Dear Jeremy

Potash West NL – Voluntary Suspension

Potash West NL (“Potash West”) hereby requests its securities be granted voluntary suspension from trading on ASX (Listing Rule 17.2).

Potash West is in the process of undertaking a capital raising with State One Stockbroking (“State One”) to raise \$1.65m before costs. Potash West and State One have received interest significantly in excess of this amount and are currently finalising the process.

An announcement will be made to the market regarding the capital raising which is expected to end the period of voluntary suspension and will be made on or before 18 July 2016.

Potash West is not aware of any reason why the request for voluntary suspension should not be granted.

Potash West is not aware of any other information necessary to inform the market about the request for voluntary suspension.

Should you have any queries regarding the above I will be happy to discuss such matters with you.

Yours faithfully

Patrick McManus
Managing Director
