

PRESENTATION VIDEO: SYDNEY, MELBOURNE 2016

A video of the presentation delivered by Thundelarra CEO Tony Lofthouse at the Vertical Events 2016 Resources Investor Showcase events in Sydney and Melbourne last week is now available.

The presentation provides an update on the exploration programmes currently underway at the exciting Garden Gully gold project in Western Australia and at Allamber in the Northern Territory. It also clarifies the current status of the exploration potential at Red Bore following the results of the latest drilling programmes there.

The presentation can be viewed on the Company's website: www.thundelarra.com.au

Open the "Videos" tab on the website.

The presentation is marked "Resources Investor Roadshow – Sydney, Melbourne Sept 2016" and titled "RIR16 Thundelarra1".
