**Canberra, Monday 17 October 2016:** XTEK Limited (ASX: XTE) is pleased to announce that the Company has raised an additional \$498,000 through the issue of 1,500,000 ordinary shares at 33.2 cents per share to a sophisticated investor.

This placement, which was undertaken at the same price as the company's recent Share Purchase Plan (SPP), completes the board's capital raising objectives and brings the total capital raised over the past four months to \$2.5 million, including the proceeds from the recent SPP and associated placement.

The funds raised will contribute to working capital and will be applied to the commercialisation of the Company's XTatlas™ contextual mapping technology and XTclave™ advanced composite product production, as well as enhancing the Company's capabilities to market, sell and support a range of agency products.

"This latest placement is consistent with the Company's strategy of broadening the share registry with sophisticated long term investors who believe in our growth story, and to provide XTEK with the necessary resources to capitalise on what is shaping up to be a very significant turnaround in the financial performance of our business for the current financial year," said the Managing Director of XTEK, Philippe Odouard.

"We are seeing increased level of interest for our agency products and customised solutions as XTEK is well positioned to benefit from the government's increased defence spending, growing demand for counter-terrorism solutions and the trend to use unmanned aerial systems in the military, security and emergency services industries."

Pursuant to the application for official quotation of these new ordinary shares, XTEK confirms the following:

1. An Appendix 3B in respect of these new ordinary shares is annexed to this announcement.

2. Following the allotment and issue of the 1,500,000 new ordinary shares, the issued capital of XTEK comprises 29,472,429 fully paid ordinary shares.
3. A statement specifying the 20 largest holders of ordinary shares and the percentage of ordinary shares held by each after completion of the Placement is set out overleaf.

A notice given pursuant to section 708A(5) of the *Corporations Act 2001* (Cth) forms part of this overall announcement.
