"I am delighted to join the Board of TransGrid in the role of Chair at this exciting time in the business's growth and development in private ownership. I look forward to working with the newly appointed CEO, Paul Italiano and with Rick as Deputy Chair. Both will continue to play a key role with the Board and Management in shaping the transformation of TransGrid and advising on the ongoing task of growing new business areas and improving operational efficiencies," said Dr. Schott, Chair of TransGrid.

"I am very excited to be working alongside Kerry as we continue to transform TransGrid into a customer focussed, innovative and efficient electricity transmission business. Kerry brings deep infrastructure experience to the position from her many roles both in the public and private sectors, and will be a valuable addition to lead the Board. With the ACE Program now embedded in the business, TransGrid is on track to meet its financial targets consistent with the acquisition business plan," said Mr. Rick Francis, Deputy Chair of TransGrid.
