COMMENT FROM THE MANAGING DIRECTOR

Adrian Griffin, Managing Director of Lithium Australia had the following comments to make with respect to the SPP

“Lithium Australia has maintained a policy of creating real value for shareholders. The Company has achieved this by fostering shareholder support through bonus issues of contributing shares. The currently listed series of contributing shares, LITCE, closed yesterday at 6.4 cents representing a considerable dividend to those shareholders that were eligible for the bonus.

Lithium Australia recognises it is often difficult for retail investors to take advantage from discounted capital raisings which, in the most part, remain the realm of sophisticated and professional investors. With that in mind, we have decided to offer those shareholders on the register, at the close of business on 5 October 2016, the opportunity to expand their holdings at a discount to market, by way of this SPP invitation.

The issue will give participants the opportunity to buy at a discount to market and without brokerage. It is a continuation of our policy to reward our very supportive and valued shareholder base.”

Share Purchase Plan (**SPP**) Booklet

- SPP Terms and Conditions

6 October 2016

Dear Shareholder

Invitation to Participate in Shareholder Share Purchase Plan

On 6 October 2016, Lithium Australia NL (**LIT** or the **Company**) announced its intention to offer shareholders the chance to participate in a share purchase plan (**Plan**) to subscribe for additional fully paid ordinary shares in the capital of the Company (**New Shares**).

The board of directors of the Company (**Directors**) is now pleased to make that offer to Eligible Shareholders (as defined below) on the terms and conditions enclosed with this letter.

Shareholders Eligible to Participate in the Plan

The right to participate in the offer of New Shares under the Plan (**Offer**) is optional and is available exclusively to the shareholders who were registered as holders of fully paid ordinary shares in the capital of LIT (**Shares**) at 7pm (WST) on 5 October 2016 (**Record Date**) and whose registered address is in Australia or New Zealand (**Eligible Shareholders**). The Directors have determined that it is not practical for shareholders resident in other countries to be offered the opportunity to participate in the Plan.

Share Purchase Plan

The Plan entitles Eligible Shareholders, irrespective of the size of their shareholding, to purchase up to \$15,000 worth of New Shares at an issue price of \$0.18 per New Share, free of brokerage and commission. The issue price of the New Shares represents a 18.18% discount to the last closing Share price of \$0.22 and a 14% discount to the volume weighted average price of the Shares on ASX during the 5 trading days immediately prior to the announcement date of the Offer on 6 October 2016 (being \$0.20933).

Details of the Offer are set out in this letter together with the enclosed Terms and Conditions and Application Form.

Current Activities

Details of the Company's current activities are set out in the announcements made to the ASX and are available from the ASX or the Company's website at www.lithium-au.com.

The funds raised under the Plan will be used by the Company to continue development of its Sileach lithium extraction process, its LieNA lithium extraction process, its various exploration initiatives in Western Australia, Queensland, Northern Territory, Mexico and Europe and for working capital purposes. Please refer to the Company's announcement on 3 October 2016 for further details of the update of the Sileach™ pilot plant progress.

How much can you invest?

Eligible Shareholders may acquire a minimum of \$2,000 and a maximum of \$15,000 worth of New Shares under the Plan.

Subscription and Application Procedure

If you would like to participate in the Offer, please follow the application instructions on the enclosed Application Form. Please note that the closing date of the Offer is **5pm (WST) on 7 November 2016 (Closing Date)**. No late applications will be accepted.

Eligible Shareholders may participate by selecting one of the following Offers to purchase New Shares under the Plan:

	Amount	Number of New Shares
Offer A	\$15,000	83,333
Offer B	\$10,000	55,555
Offer C	\$5,000	27,777
Offer D	\$2,000	11,111

Once an application for New Shares has been made it cannot be revoked. All valid applications shall be deemed accepted if received before the closing date of 5pm (WST) on 7 November 2016 (**Closing Date**). The Board retains the right to extend the Closing Date at its discretion.

The maximum investment any Eligible Shareholder may apply for will remain \$15,000 even if an Eligible Shareholder receives more than one Offer (whether in respect of a joint holding or because the Eligible Shareholder has more than one holding under a separate account).

Calculation of the Purchase Price and Acceptance of Risk Factors

The purchase price of Shares under the Offer is \$0.18, which represents a 14% discount to the volume weighted average price of the Shares on ASX during the 5 trading days immediately prior to the announcement date of the Offer on 6 October 2016, being \$0.20933.

On the trading day immediately prior to the announcement date of the Offer, the closing price of the Shares traded on ASX was \$0.22. The market price of the Shares may rise and fall between the date of the Offer and the date that any New Shares are issued to you as a result of applying to participate in the Plan.

By applying for New Shares, each Eligible Shareholder acknowledges that although the purchase price is at a discount to the market price of the Shares, Shares are a speculative investment and the price of the Shares on ASX may change between the date of the Company announcing its intention to make an Offer and the date of issue of New Shares under that Offer. It is possible that that up to or after the date you receive New Shares, you may be able to buy Shares on the ASX at a lower price than under this Plan. You should be aware of and accept that risk.

The Board recommends that you obtain your own financial advice in relation to the Offer and consider price movements of Shares prior to accepting this Offer.

Additional Information and Important Dates

The Offer is non-renounceable and cannot be transferred by Eligible Shareholders and the Directors reserve the right to reject any application for over \$15,000 worth of New Shares. New Shares will be issued as soon as practicable after the Closing Date of the Offer. Application for quotation on ASX of the New Shares will be made promptly following the issue of those New Shares.

The maximum number of New Shares that may be issued pursuant to this Offer is up to 70,219,932. In the event of an oversubscription by the Closing Date the Directors may, in their absolute discretion, scale-back applications on a first come, first served basis. LIT may take into consideration the size of an applicant's Shareholding when determining the amount of any potential scale back and therefore the extent of the scale back may differ between applications.

If the Company rejects or scales-back an application or purported application in accordance with the terms and conditions of the Plan, the Company will promptly return to the Shareholder the relevant application monies, without interest.

Shortfall Placement

In the event that less than 70,219,232 New Shares are applied for pursuant to this Offer to raise ##\$12.64m before expenses, the shortfall may be placed at the discretion of the Directors.

Shareholders eligible to participate

Holders of Shares (**Shareholders**) who are registered with an Australian or New Zealand address at the Record Date may participate in the Plan (**Eligible Shareholders**). The directors of the Company (**Directors**) have determined that it is not practical for Shareholders resident in other countries to be offered the opportunity to participate in the Plan. Each Eligible Shareholder is solely responsible for obtaining any government or regulatory approvals and consents necessary for that Eligible Shareholder to be eligible to participate in the Plan.

Participation in the Plan is optional and is subject to these terms and conditions. Offers to subscribe for New Shares under the Plan (**Offers**) are non-renounceable (i.e. Eligible Shareholders may not transfer their rights to any New Shares offered under the Plan).

No brokerage or other transaction costs will apply to the acquisition of New Shares under the Plan. The only cost to Eligible Shareholders is the issue price of the New Shares.

An Offer may, at the discretion of the Directors, be made under the Plan once a year. The maximum amount which any Eligible Shareholder may subscribe for in any consecutive 12 month period, is \$15,000.

Unless you are a Custodian, the maximum investment any Eligible Shareholder may apply for will remain \$15,000 even if an Eligible Shareholder receives more than one Offer. This limitation applies whether because the Eligible Shareholder has more than one holding under a separate account, or if they hold Shares in more than one capacity such as if they are a sole Eligible Shareholder and a joint Eligible Shareholder and/or an Eligible Shareholder with more than one holding under a separate account or designation.

Custodians, trustees and nominees

If you are an Eligible Shareholder and hold Shares as a custodian (as defined in ASIC Class Order CO 09/425 (refer below) (**Custodian**) or in any more specific ASIC relief granted to the Company in relation to the Plan), you may apply for up to the maximum of New Shares for each beneficiary for whom you act as custodian provided you annex to your Application

Form a certificate to the Company (**Custodian Certificate**) with the following information:

- confirmation that you or another interposed custodian held Shares on behalf of one or more other persons (each a **Participating Beneficiary**) at 7pm (WST) on 5 October 2016, and that those Participating Beneficiaries have subsequently instructed you to apply for New Shares on their behalf;
- the number of Participating Beneficiaries for whom you are the Custodian and their names and addresses;
- the number of Shares that you hold on behalf of each Participating Beneficiary;
- the dollar amount of New Shares that each Participating Beneficiary has instructed you, either directly or indirectly through another custodian, to apply for under the Offer on their behalf;
- confirmation that the application price for New Shares for each Participating Beneficiary for whom you act plus the application price for any other Shares issued to you as custodian for that Participating Beneficiary under any arrangement similar to the Plan in the prior 12 months does not exceed \$15,000;
- confirmation that a copy of the written offer document was given to each Participating beneficiary; and
- where you hold shares on behalf of a beneficiary indirectly, through one or more interposed custodians, the name and address of each interposed custodian.

For the purposes of ASIC Class Order CO 09/425 you are a ‘**custodian**’ if you are a registered holder that:

- holds an Australian financial services licence that allows you to perform custodian or depositary services or operate IDPS accounts;
- is exempt from the requirement to hold a an Australian financial services licence for the provision of a custodial or depositary service by virtue of relevant ASIC Class Orders or regulations of the *Corporations Regulations 2001*, provisions of the Corporations Act or an individual instrument of relief granted by ASIC;
- is a trustee of a self-managed superannuation fund;
- is a trustee of a superannuation master trust;
- is a responsible entity of IDPS like schemes;
- is noted on the Company’s register of members as holding the Shares on account of another person.

If you hold Shares as a trustee or nominee for another person or persons but are not a Custodian as defined above, you cannot participate for beneficiaries in the manner described above. In this case, the rules for multiple single holdings (above) apply.

Custodians should request a Custodian Certificate when making an application on behalf of Participating Beneficiaries. To request a Custodian Certificate and if you would like further information on how to apply, you should contact Advanced Share Registry Services during normal business hours, Monday to Friday during the Offer period.

The Company reserves the right to reject any application for New Shares to the extent it considers that the application (whether alone or in conjunction with other applications) does not comply with these requirements. The Company reserves the right to reject applications in accordance with these Terms and Conditions.

Subscription and Application Procedure

If you would like to participate in the Offer, please follow the application instructions on the enclosed Application Form. Please note that the closing date of the Offer is **5pm (WST) on 7 November 2016**. No late applications will be accepted.

Eligible Shareholders may participate in the Offer by selecting one of the following Offers to purchase New Shares under the Plan:

	Amount	Number of New Shares

Offer C	\$5,000	27,777
Offer D	\$2,000	11,111

The number of New Shares will be rounded down to the nearest whole number after dividing the dollar amount by the issue price.

Once an application for New Shares has been made it cannot be revoked. All valid applications shall be deemed accepted if received before the Closing Date of 5pm (WST) on 7 November 2016. The Board retains the right to extend the closing date.

Option1 – payment by cheque

Complete the Application Form and send it to the share registry of the Company at the address shown in the Application Form, together with your payment. Your payment must be by cheque or money order in Australian dollars made payable to “Lithium Australia NL”. Make a BPAY payment from your Australian cheque or savings account by using the Biller Code and Reference Number shown on your Application Form, which is required to identify your holding.

If you have multiple holdings you will have multiple BPAY Reference Numbers. To ensure you receive your New Shares under the Offer in respect of that holding you must use the specific Biller Code and Reference Number shown on each personalised Application Form when paying for any New Shares that you may wish to apply for in respect of that holding. If you inadvertently use the same Reference Number for more than one of your applications, you will be deemed to have applied only for that application to which that Reference Number applies and any excess amount will be refunded.

If you make your payment using BPAY you do not need to return your Application Form. New Zealand holders will not be able to make a payment using BPAY.

Payments made by BPAY received after **5:00pm (WST) on 7 November 2016** will not be accepted. By using the BPAY facility to apply for New Shares you represent that the total of the application price for the following does not exceed \$15,000:

- (a) the New Shares the subject of your application;
- (b) any other Share issued under any similar arrangement in the 12 months before the date of your application;
- (c) any other New Shares which you have instructed a Custodian to acquire on your behalf under the Plan;
- (d) any other Shares issued to a Custodian under an arrangement similar to the Plan in the 12 months before the date of your application as a result of any instruction given by you to the Custodian or to another custodian which

resulted in you holding beneficial interests in such Shares.

Once an application has been made it cannot be revoked. All valid applications shall be deemed accepted if received before the Closing Date of 5:00pm (WST) on 7 November 2016. If the exact amount of money is not tendered with your application, the Company reserves the right to either:

- (a) return your Application Form and/or payment and not issue any New Shares to you; or
- (b) issue to you the number of New Shares that would have been issued had you applied for the highest designated amount that is less than the amount of your payment and refund the excess application money to you by cheque as soon as possible, without interest.

The maximum investment any Eligible Shareholder may apply for is \$15,000. This limitation applies even if an Eligible Shareholder receives more than one Offer (whether in respect of a joint holding or because the Eligible Shareholder has more than one holding under a separate account). It is the responsibility of the applicant to ensure that the aggregate of the application price paid for the New Shares the subject of the application and any shares and interests in the class applied for by you under the Plan or any similar arrangement in the 12 months prior to the date of the application does not exceed \$15,000.

Applications will not be accepted after the Closing Date. The Directors intend to prioritise applications on a first come, first served basis. Oversubscriptions to the Offer may be refunded without interest.

Notices and statements made by the Company to participants may be given in any manner prescribed by its Constitution.

Issue of New Shares

New Shares will be issued as soon as reasonably practicable after the closing date specified by the Directors of the Company in the relevant offer.

Shares issued under the Plan will rank equally in all respects with all other fully paid ordinary shares in the Company from the date of issue.

Shareholding statements or CHESS notification will be issued in respect of all New Shares issued. The Company will, promptly after the issue of New Shares, make application for those New Shares to be quoted on the ASX.

The Company may issue fewer new Shares than applied for by you (or none at all) if any of the following apply:

- (a) the Company considers (in its reasonable opinion) that issuing New Shares to you under the Plan will breach the Plan, the Corporations Act or the ASX Listing Rules;
- (b) the Company considers (in its reasonable opinion) that by issuing New Shares to you under the Plan you may exceed the maximum of \$15,000 or receive an aggregate of more than \$15,000 of New Shares under the Plan or any other arrangement similar to the Plan in the past 12 months up to the Closing Date (except to the extent that the person is issued with New Shares as a Custodian under a custodian offer);
- (c) you are a Custodian and you have not complied with the requirements set out in this document;
- (d) the Company undertakes a scale back;
- (e) the Company considers (in its reasonable opinion) that you have not complied with these terms and conditions.

It is your responsibility to confirm your holding before trading any New Shares you believe have been issued under the Plan. Any Shareholder that sells New Shares before receiving confirmation of their holding in the form of their holding statement will do so at their own risk. The Company and the share registry disclaim all liability whether in the negligence or otherwise (to the maximum extent permitted by law) to person who trade their New Shares before receiving their holding statement.

Scale Back of Offer

The Company will issue a maximum of approximately 70,219,932 New Shares under the Plan representing a \$12.64 million raising before expenses.

In the event of an oversubscription by the Closing Date the Directors will in their absolute discretion scale back applications.

If the Company undertakes a scale back, you will receive the number of New Shares decided by the Company in its absolute discretion, which may be less than the number of New Shares you applied for. In this case, the difference between the application money received, and the number of New Shares allocated to you multiplied by the issue price, will be refunded to you by cheque or direct credit (the payment method will be determined by the Company in its absolute discretion) as soon as practicable, without interest. By applying for New Shares each Shareholder authorises the Company to pay any money to be refunded by using the payment instructions of the Shareholder recorded in the Company's Share Registry, if the Company should elect to pay in that manner.

If the scale-back produces a fractional number of New Shares when applied to an Eligible Shareholder's application

under the Offer, the number of New Shares issued will be rounded up to the nearest whole New Share.

Scale back decisions are made by the Directors and are final.

Modification and Termination of the Plan

The Company may modify, suspend or terminate the Plan at any time. The Company will notify ASX of any modification to, or suspension or termination of, the Plan. The omission to give notice of any modification to, or termination of, the Plan or the failure of ASX to receive such notice will not invalidate the modification or termination.

Without limiting the above, the Company may issue to any person fewer New Shares than the person applied for under the Plan if the issue of the New Shares applied for would contravene any applicable law or the ASX Listing Rules or the *Corporations Act 2001* (Cth).

Other Information

The Company may, in any manner it thinks fit, settle any difficulties, anomalies or disputes which may arise in connection with or by reason of the operation of the Plan, whether generally or in relation to any participant, application or New Shares. The decision of the Company in this respect will be conclusive and binding on all Shareholders and other persons to whom that determination relates.

The Company reserves the right to waive strict compliance with any provision of these terms and conditions. The powers of the Company under these conditions may be exercised by the Directors or any delegate of the Directors.

The Offer of New Shares is made in accordance with ASIC Class Order 09/425, which grants relief from the requirement to prepare a prospectus for the Offer.
