Operational Update

On 14 June 2016, Wolf Petroleum Limited ("the Company" or "WOF") announced that it had agreed terms for the funding of up to \$3.2 million from China Sam Enterprise Group Co., Ltd. ("SAM Group").

The key terms include:

- 4,000,000 ordinary shares at \$0.01 per share ("Phase 1 Shares");
- 72,450,000 ordinary shares at \$0.01 per share ("Phase 2 Shares");
- 243,316,000 ordinary shares at \$0.01 per share ("Phase 3 Shares") and up to 242,907,013 options ("WOF Options") subject to shareholder approval; and
- the appointment of up to three SAM Group nominees to the board of WOF. Two existing members of the Board intend to resign from their existing roles.

On 27 July 2016, the Company announced that it had completed the issue of the Phase 1 Shares and the Phase 2 Shares to the SAM Group. The Company has now issued a total of 76,450,000 shares to the SAM Group for a total fee of \$764,500. The Company is currently preparing a notice of meeting seeking approval from shareholders for the issue of the Phase 3 Shares and the WOF Options to the SAM Group. The general meeting is expected to be convened in early September 2016.

SAM Group is committed to assisting WOF in the development of its existing projects, the SB, Jinst and BU blocks. SAM Group is not a related party of the Company.

Corporate

As announced on 11 April 2016, the Company secured a loan facility from Celtic Capital Pty Ltd for \$60,000. The Company has now repaid this facility in full (principal and interest).

Legal Update

As announced in the last quarter, the Company executed a settlement deed and placed the settlement amount in trust with the Ngaanyatjarra Council (Aboriginal Corporation) (NCAC) solicitor. The settlement amount has now been paid in full and in final settlement of the claim.
