NOTICE OF ANNUAL GENERAL MEETING

Notice is given that the Annual General Meeting of the Shareholders of Sprintex Limited (**Company**) will be held at 10.00 am (WST) on Monday, the 30th day of November, 2016 at 183 Mulgul Road, Malaga, Western Australia.

AGENDA

ORDINARY BUSINESS

1. FINANCIAL STATEMENTS AND REPORTS – 1 JULY 2015 TO 30 JUNE 2016

To receive and consider the financial statements and reports of the Directors and the Auditor for the year ended 30 June 2016.

Note: There is no requirement for Shareholders to approve these reports.

2. RESOLUTION 1: ADOPTION OF REMUNERATION REPORT (NON-BINDING)

To consider and, if thought fit, to pass, with or without amendment, the following Resolution as a **non-binding resolution**:

“That, for the purposes of Section 250R(2) of the Corporations Act and for all other purposes, the Remuneration Report as set out in the 2016 Annual Report dealing with the remuneration of the Company’s Directors and senior executives be adopted.”

Note: This Resolution 1 shall be determined as if it were an ordinary (majority) resolution, but under s 250R(3) of the Corporations Act, the vote does not bind the Directors of the Company.

Voting Exclusion: The Company will disregard any votes cast on Resolution 1 by any member of the Key Management Personnel of the Company whose remuneration is included in the Remuneration Report, or a closely related party of such member. However, the Company will not disregard any votes cast on Resolution 1 by such person if:

- (a) the person is acting as proxy and the Proxy Form specifies how the proxy is to vote on the Resolution, and the vote is not cast on behalf of a person who is otherwise excluded from voting on this Resolution as described above; or
- (b) the person is the Chairman of the Meeting voting an undirected proxy and their appointment expressly authorises the Chairman to exercise the proxy even though Resolution 1 is connected with the remuneration of the Key Management Personnel of the Company.

If you are a member of the Key Management Personnel of the Company or a closely related party of such person (or are acting on behalf of any such person) and purport to cast a vote (other than as a proxy as permitted in the manner set out above), that vote will be disregarded by the Company (as indicated above) and you may be liable for an offence for breach of voting restrictions that apply to you under the Corporations Act.

3. RESOLUTION 2: RE-ELECTION OF DIRECTOR – MR RICHARD SIEMENS

To consider and, if thought fit, to pass, with or without amendment, the following Resolution as an **ordinary resolution**:

“That, Mr Richard Siemens, being a Director of the Company, who retires by rotation in accordance with Listing Rule 14.4 and clause 15.4 of the Company’s Constitution, and being eligible, offers himself for re-election, be re-elected as a Director of the Company.”

4. RESOLUTION 3: APPROVAL OF ADDITIONAL 10% PLACEMENT FACILITY

To consider and, if thought fit, to pass, with or without amendment, the following Resolution as a **special resolution**:

“That, for the purpose of Listing Rule 7.1A and for all other purposes, Shareholders approve the issue of Equity Securities up to 10% of the issued capital of the Company (at the time of the issue) calculated in accordance with the formula prescribed in Listing Rule 7.1A.2, for the purpose and on the terms set out in the Explanatory Statement accompanying this Notice of Annual General Meeting.”

Voting Exclusion: The Company will disregard any votes cast on Resolution 3 by any person who may participate in the issue of Equity Securities under the Additional 10% Placement Facility and any person who might obtain a benefit (except a benefit solely in the capacity of a holder of ordinary securities) if Resolution 3 is passed, and any person associated with those persons. However, the Company will not disregard any votes cast on Resolution 3 by such person if:

- (a) the person is acting as proxy for a person who is entitled to vote, in accordance with the directions on the Proxy Form; or
- (b) the person is the Chairman of the Meeting acting as proxy for a person who is entitled to vote, in accordance with a direction on the Proxy Form to vote as the proxy decides.

Important note: The proposed allottees of any Equity Securities under the Additional 10% Placement Facility are not as yet known or identified. In these circumstances (and in accordance with the note set out in ASX Listing Rule 14.11.1 relating to ASX Listing Rules 7.1 and 7.1A), for a person’s vote to be excluded, it must be known that that person will participate in the proposed issue. Where it is not known who will participate in the proposed issue (as is the case in respect of any Equity Securities issued under the Additional 10% Placement Facility), Shareholders must consider the proposal on the basis that they may or may not get a benefit and that it is possible that their holding will be diluted, and there is no reason to exclude their votes.

1. RESOLUTION 1: ADOPTION OF REMUNERATION REPORT (NON-BINDING RESOLUTION)

1.1 Background

The Company's Remuneration Report for the year ended 30 June 2016 is set out in the 2016 Annual Report and is also available on the Sprintex website at www.sprintex.com.au.

The Remuneration Report includes an explanation of the Company's remuneration policies and the remuneration arrangements in place for Directors and certain senior executives whose remuneration arrangements are required by law to be disclosed.

As required by section 250R(2) of the Corporations Act, a non-binding resolution to adopt the Remuneration Report is to be put to Shareholders at the Meeting. The vote on this Resolution 1 is advisory only and does not bind the Directors of the Company. However, the Corporations Act provides that if the Company's Remuneration Report resolution receives a "no" vote of 25% or more of votes cast at the Annual General Meeting, the Company's subsequent Remuneration Report must explain the Board's proposed action in response or, if the Board does not propose any action, the Board's reasons for not making any changes. The Board will take into account the outcome of the vote when considering the remuneration policy, even if it receives less than a 25% "no" vote.

In addition, the Corporations Act sets out a "two strikes" re-election process. Under the "two strikes" re-election process, if the Company's Remuneration Report receives a "no" vote of 25% or more of all votes cast at two consecutive annual general meetings (that is, "two strikes"), a resolution (the "spill resolution") must be put to the second annual general meeting, requiring Shareholders to vote on whether the Company must hold another general meeting (known as the "spill meeting") to consider the appointment of all of the Directors who must stand for re-appointment (other than a Managing Director). If the spill resolution is approved at the annual general meeting by a simple majority of 50% or more of the eligible votes cast, the spill meeting must be held within 90 days of that second annual general meeting (unless none of the Directors, other than a Managing Director, stand for re-appointment).

The Company's Remuneration Report did not receive a "no" vote of 25% or more at the Company's previous annual general meeting held on 30 November 2015.

Further information will be provided on the "spill resolution" and "spill meeting" for any annual general meeting at which the Company may face a "second strike".

1.2 Directors' recommendation

The Directors recommend that Shareholders vote in favour of Resolution 1 to adopt the Remuneration Report.

2. RESOLUTION 2: RE-ELECTION OF DIRECTOR – MR RICHARD SIEMENS

2.1 Background

In accordance with Listing Rule 14.4 and clause 15.4 of the Constitution, at every annual general meeting, one third of the Directors (or, if there is not a whole multiple of three, then the number nearest but not exceeding one-third) for the time being must retire from office and are eligible for re-election. The Directors to retire are to be those who have been in office for 3 years since their appointment or last re-appointment or who have been longest in office since their appointment or last re-appointment or, if the Directors have been in office for an equal length of time, by agreement, and in default of agreement by lot. Under Listing Rule 14.4 a director of an entity must not hold office (without re-election) past the third annual general meeting following the director's appointment or 3 years, whichever is longer.

For these reasons, Mr Richard Siemens will retire as a Director in accordance with Listing Rule 14.4 and clause 15.4 of the Constitution and offer himself for re-election.

Further details about Mr Richard Siemens are set out in the Company's 2016 Annual Report which is available at www.sprintex.com.au.

2.2 Directors' recommendation

The Directors (other than Mr Richard Siemens) recommend that Shareholders vote in favour of Resolution 2.

3. RESOLUTION 3: APPROVAL OF ADDITIONAL 10% PLACEMENT FACILITY

3.1 Listing Rule 7.1A

Listing Rule 7.1A enables eligible entities to issue Equity Securities of up to 10% of its issued ordinary share capital through placements over a 12 month period following the entity's annual general meeting (**Additional 10% Placement Facility**). The Additional 10% Placement Facility is in addition to the Company's 15% placement capacity under Listing Rule 7.1.

An eligible entity for the purposes of Listing Rule 7.1A is an entity that is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300 million or less, as at the time of the entity's annual general meeting. The Company is an eligible entity as at the time of this Notice of Annual General Meeting and is expected to be an eligible entity as at the time of the Annual General Meeting.

Resolution 3 seeks Shareholder approval to enable the Company to issue Equity Securities under the Additional 10% Placement Facility throughout the 12 months after the Annual General Meeting. The effect of Resolution 3 will be to allow the Directors to issue Equity Securities under Listing Rule 7.1A during the period set out below.

Resolution 3 is a special resolution and therefore requires approval of 75% of the votes cast by Shareholders present and eligible to vote at the Annual General Meeting (in person, by proxy, by attorney or, in the case of a corporate Shareholder, by a corporate representative).

The exact number of Equity Securities that the Company may issue under the Additional 10% Placement Facility will be determined in accordance with the formula prescribed in Listing Rule 7.1A.2 (see paragraph 3.2.2 below).

The Company is seeking a mandate to issue Equity Securities under the Additional 10% Placement Facility to enable the Company to pursue its growth strategy with the flexibility to act quickly as potential business opportunities arise.

3.2 Regulatory Requirements

In compliance with the information requirements of Listing Rule 7.3A, Shareholders are advised of the following information:

1. Minimum Issue Price

Equity Securities issued under the Additional 10% Placement Facility must be in the same class as an existing class of quoted Equity Securities of the Company. As at the date of this Notice of Annual General Meeting, the Company has on issue one class of quoted Equity Securities, Shares.

The issue price of Equity Securities issued under the Additional 10% Placement Facility must not be lower than 75% of the volume weighted average price for securities in the same class calculated over the 15 trading days on which trades in that class were recorded immediately before:

- i) the date on which the Equity Securities are issued; or
- ii) the date on which the price of Equity Securities is agreed, provided that the issue is thereafter completed within 5 business days.

2. Dilution

As of the date of this Notice of Annual General Meeting, the Company has 90,452,608 Shares on issue. If Shareholders approve Resolution 3, the Company will have the capacity to issue approximately 10% of the Shares on issue under the Additional 10% Placement Facility in accordance with Listing Rule 7.1A.

The precise number of Equity Securities that the Company will have capacity to issue under Listing Rule 7.1A will be calculated at the date of issue of the Equity Securities in accordance with the following formula:

$$(A \times D) - E$$

A is the number of fully paid ordinary shares on issue 12 months before the date of issue or agreement:

- i. plus the number of fully paid ordinary shares issued in the 12 months under an exception in Listing Rule 7.2;
- ii. plus the number of partly paid ordinary shares that became fully paid in the 12 months;
- iii. plus the number of fully paid ordinary shares issued in the 12 months with approval of holders of Shares under Listing Rule 7.1 and 7.4;
- iv. less the number of fully paid ordinary shares cancelled in the 12 months.

Note that A has the same meaning in Listing Rule 7.1 when calculating an entity's 15% placement capacity.

D is 10%

E is the number of Equity Securities issued or agreed to be issued under Listing Rule 7.1A.2 in the 12 months before the date of the issue or agreement to issue that are not issued with the approval of Shareholders under Listing Rule 7.1 or 7.4.

If Resolution 3 is approved by Shareholders and the Company issues Equity Securities under the Additional 10% Placement Facility, existing Shareholders' voting power in the Company will be diluted as shown in the table below to the extent Shareholders do not receive any Shares under such issues. There is a risk that:

- i) the market price for the Company's Equity Securities may be significantly lower on the date of the issue of the Equity Securities than on the date of the Annual General Meeting; and
- ii) the Equity Securities may be issued at a price that is at a discount to the market price for the Company's Equity Securities on the issue date or the Equity Securities are issued as part of consideration for the acquisition of a new asset,

which may have an effect on the amount of funds raised by the issue of the Equity Securities.

The below table shows the dilution of existing Shareholders on the basis of the current market price of Shares and the current number of ordinary securities for variable "A" calculated in accordance with the formula in Listing Rule 7.1A.2 as at the date of this Notice of Annual General Meeting.

The below table also shows:

- i) two examples where variable "A" has increased, by 50% and 100%. Variable "A" is based on the number of fully paid ordinary securities the Company has on issue. The number of fully paid ordinary securities on issue may increase as a result of issues of fully paid ordinary securities that do not require Shareholder approval (for example, a pro rata entitlements issue or scrip issued under a takeover offer) or future specific placements under Listing Rule 7.1 that are approved at a Shareholders' meeting; and
- ii) two examples of where the issue price of ordinary securities has decreased by 50% and increased by 50% as against the current market price.

Variable "A" in Listing Rule 7.1A.2		Dilution		
		\$0.175 50% decrease in Issue Price	\$0.35 Issue Price	\$0.525 50% increase in Issue Price
Current Variable A 90,452,608 Shares	Shares issued (10% voting dilution)	9,045,261 New Shares	9,045,261 New Shares	9,045,261 New Shares
	Funds raised	\$1,582,921	\$3,165,841	\$4,748,762

50% increase in current Variable A 135,678,912 Shares	Shares issued (10% voting dilution)	13,567,891 New Shares	13,567,891 New Shares	13,567,891 New Shares
	Funds raised	\$2,374,381	\$4,748,762	\$7,123,142
100% increase in current Variable A 180,905,216 Shares	Shares issued (10% voting dilution)	18,090,521 New Shares	18,090,521 New Shares	18,090,521 New Shares
	Funds raised	\$3,165,841	\$6,331,682	\$9,497,523

The table has been prepared on the following assumptions:

1. Variable A is 90,452,608 being the number of ordinary securities on issue at the date of this Notice of Meeting.
2. The Company issues the maximum number of Equity Securities available under the Additional 10% Placement Facility.
3. No performance rights are exercised into Shares before the date of issue of the Equity Securities.
4. The Company has not issued any other Equity Securities using its placement capacity under Listing Rule 7.1 or 7.1A in the 12 months preceding this Notice of Meeting.
5. The 10% voting dilution reflects the aggregate percentage dilution against the issued Share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
6. The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the Additional 10% Placement Facility, based on that Shareholder's holding at the date of the Meeting.
7. The calculations above do not show the dilution that any one particular Shareholder will be subject to. All Shareholders should consider the dilution caused to their own shareholding depending on their specific circumstances.
8. The table shows only the dilutionary effect of issues of Equity Securities under Listing Rule 7.1A, not under the 15% placement capacity under Listing Rule 7.1.
9. The issue of Equity Securities under the Additional 10% Placement Facility consists only of Shares.
10. The issue price set out above of \$0.35 is the closing price of the Shares on ASX on 24 October 2016.
11. The issue prices set out above of \$0.175 and \$0.525 are included to comply with Listing Rule 7.3A.2.

3. Issue Period

If Shareholders approve Resolution 3, the Company will have a mandate to issue Equity Securities under the Additional 10% Placement Facility under Listing Rule 7.1A from the date of the Annual General Meeting until the earlier of the following to occur:

- i) the date that is 12 months after the date of the Annual General Meeting; and
- ii) the date of the approval by Shareholders of a transaction under Listing Rule 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking),

(the **Additional 10% Placement Period**).

The Company will only issue and allot Equity Securities under the Additional 10% Placement Facility during the Additional 10% Placement Period.

4. Purpose of Issues

The Company may seek to issue the Equity Securities for the following purposes:

- i) non-cash consideration for the acquisition of new assets and investments. In such circumstances the Company will provide a valuation of the non-cash consideration as required by Listing Rule 7.1A.3; or
- ii) cash consideration. In such circumstances, the Company intends to use the funds raised for continued research and development expenditure on, and to ensure the Company is well capitalised for the advancement of, the Company's current programs, including but not limited to the continued development of the Company and its products, and/or general working capital.

The Company will provide further information at the time of issue of any Equity Securities under the Additional 10% Placement Facility in compliance with its disclosure obligations under Listing Rules 7.1A.4 and 3.10.5A.

5. Allocation Policy

The Company's allocation policy is dependent on the prevailing market conditions at the time of any proposed issue pursuant to the Additional 10% Placement Facility. The identity of the allottees of Equity Securities will be determined on a case-by-case basis having regard to the factors including but not limited to the following:

- i) the methods of raising funds that are available to the Company, including but not limited to, a rights issue or other issues in which existing security holders can participate;
- ii) the effect of the issue of the Equity Securities on the control of the Company;
- iii) the financial situation and solvency of the Company; and
- iv) advice from corporate, financial and broking advisers (if applicable).

The allottees under the Additional 10% Placement Facility have not been determined as at the date of this Notice but may include existing Shareholders and/or new Shareholders who are not related parties or associates of a related party of the Company.

6. Previous issues of Equity Securities under Listing Rule 7.1A

The Company previously obtained Shareholder approval under Listing Rule 7.1A at its 2015 Annual General Meeting held on 30 November 2015.

In the 12 months preceding this Notice of Annual General Meeting, the Company has issued 5,064,998 Equity Securities which represents 5.93% of the total number of Equity Securities on issue at the commencement of that 12 month period.

Details of the Equity Securities issued in the 12 month period are outlined in Schedule A to this Notice of Meeting.

7. Voting exclusion statement

A voting exclusion statement for Resolution 3 is included in the Notice of Annual General Meeting preceding this Explanatory Statement.

At the date of the Notice of Annual General Meeting, the Company has not approached any particular existing security holder or an identifiable class of existing security holders to participate in the issue of the Equity Securities. Accordingly, the proposed allottees of any Equity Securities under the Additional 10% Placement Facility are not as yet known or identified.

In these circumstances (and in accordance with the note set out in ASX Listing Rule 14.11.1 relating to ASX Listing Rules 7.1 and 7.1A), for a person's vote to be excluded, it must be known that that person will participate in the proposed issue. Where it is not known who will participate in the proposed issue (as is the case in respect of any Equity Securities issued

under the Additional 10% Placement Facility), Shareholders must consider the proposal on the basis that they may or may not get a benefit and that it is possible that their holding will be diluted, and there is no reason to exclude their votes.

No existing Shareholder's votes will therefore be excluded under the voting exclusion in the Notice of Annual General Meeting.

3.3 Directors' Recommendation

The Directors believe that the Additional 10% Placement Facility is beneficial for the Company as it will give the Company the flexibility to issue further securities representing up to 10% of the Company's share capital during the next 12 months. Accordingly, the Directors unanimously recommend that Shareholders approve Resolution 3.
