

NETCOMM WIRELESS PASSES TECHNICAL MILESTONE FOR USA FIXED WIRELESS CONTRACT

12 August 2016 (Sydney): NetComm Wireless Limited (ASX: NTC) a leading global developer of data communications technologies, today announced that it has passed a key technical milestone in respect of the Company's USA based fixed wireless contract.

Passing this technical milestone allows for the progression of the contract to the next stage of small scale rollout and eco system testing which will occur during the remainder of the year.
