Dear Ms Codreanu

**NetComm Wireless Limited (ASX: NTC) – Request for trading halt pursuant to ASX Listing Rule 17.1**

NetComm Wireless Limited ACN 002 490 486 (**ASX:NTC**) (**NetComm Wireless**) requests that a trading halt be placed on NetComm Wireless's ordinary shares effective from the commencement of trading on 20 April 2016.

For the purposes of ASX Listing Rule 17.1 and in support of this request, NetComm Wireless advises that:

- a) the trading halt is requested pending an announcement by NetComm Wireless to the market in relation to a proposed capital raising by NetComm Wireless, by way of a fully underwritten placement to sophisticated and professional investors and an associated share purchase plan;
- b) it requires that the trading halt remain in place until the earlier of:
  - i. such time as it makes an announcement to the market about the results of the proposed placement and details of the share purchase plan; and
  - ii. the commencement of trading on Friday, 22 April 2016;
- c) the trading halt is necessary as otherwise trading in the Company's ordinary shares would occur on an uninformed basis; and
- d) NetComm Wireless is not aware of any reason why the trading halt should not be granted or of any other information necessary to inform the market about the trading halt.

Yours sincerely
