ASX ANNOUNCEMENT

14 September 2016

Cirrus Networks wins \$2.2M State Government Cisco support contract

Highlights

- Dept. of Health maintenance and support contract totalling in excess of \$2 million
- Continues success in our Government focused strategy
- Highlights the value of the Cisco focused L7 Solutions acquisition

Cirrus Networks Holdings Limited ("Cirrus" or the "Company") (ASX: CNW) through its wholly owned subsidiary L7 Solutions Pty Ltd has secured the provision of a Cisco SmartNET Maintenance and Support contract totalling in excess of \$2 million for the next 3 years. The contract will be financed from existing working capital and facilities.

Awarded through public tender, Cirrus secured the contract with the State Government's Child and Adolescent Health Service for the Perth Children's Hospital for the maintenance and support of their Cisco infrastructure.

Speaking about the win, Cirrus Managing Director Frank Richmond stated "We are delighted to have been selected in the public tender process. Through our L7 Solutions entity, it is pleasing to be recognised for our innovative, agile and cost competitive approach. We look forward to continuing to showcase our group wide technology offering to these blue chip government and business customers alike."

About Cirrus:

Cirrus Networks Holdings Limited (ASX: CNW) is an IT solutions provider that helps businesses understand their technology needs to implement solutions that are world leading, best of breed, cost effective and efficient for long term operational gain. Cirrus' innovative approach has resulted in the swift establishment of a blue-chip customer base and its success was recently recognised at the Deloitte Australia's Technology Fast 50 Awards, where it was named in second place for 2015. This followed the second placing received in the fastest growing "Rising Star" technology company category in Australia in 2014.
