# **ASX ANNOUNCEMENT**

## **SUSPENSION FROM OFFICIAL QUOTATION**

The securities of Sinovus Mining Limited ("the Company" or "SNV") were suspended from official quotation today as the Half Year Accounts for the six months ended 31 December 2015 were not lodged with ASX by the due date, being 15 March 2016. The unexpected delay of completion of the financial statements by the Company and finalisation of the review by the Company's Auditors by the due date, has been unfortunate due to medical attention required by a senior person responsible for the financial statements.

This has been the only time since listing that the Company has not met its reporting obligations in a timely manner. Due to this incident, the Company has reviewed its staffing procedures and appropriate arrangements are now implemented to avoid this unfortunate occurrence in the future.

The Half Year Accounts for the six months ended 31 December 2015 are expected to be lodged with ASX by close of trading on Friday, 18 March 2016. The Company expects trading to resume at the commencement of normal trading on Monday, 21 March 2016 subject to ASX lifting the suspension.
