## EXPLANATORY NOTES ON ITEMS OF BUSINESS

### **Item 1: Financial Statements**

As required by section 317 of the Corporations Act 2001 (Cth) (the "Act"), the Financial Report, the Directors' Report and the Auditor's Report of the Company for the most recent financial year will be laid before the meeting. Shareholders will be provided with a reasonable opportunity to ask questions about or make comments on the management of the Company however, there will be no formal resolution put to the meeting.

Shareholders will also be provided with the opportunity to ask the representative of the Company's auditor questions about the conduct of the audit, the preparation and content of the Auditor's report, the accounting policies adopted by the Company in relation to the preparation of the financial statements, and the independence of the auditor in relation to the conduct of the audit.

### **Item 2: Remuneration Report**

The Directors' Report for the year ended 30 June 2015 contains a Remuneration Report, which sets out the remuneration policy for the Company and reports on the remuneration arrangements in place for Directors and certain senior executives.

The Act requires that the agenda for this Annual General Meeting include a resolution for the adoption of the Remuneration Report. The vote on the resolution is advisory only and is not binding on the Directors or the Company.

Shareholders will be provided with a reasonable opportunity to ask questions about and make comments on the Remuneration Report.

### **Item 3: Election of Director**

Pursuant to the Company's Constitution, Dr Robert Mears will retire as a Director at the Annual General Meeting and offer himself for re-election.

Dr Robert Mears is recognised worldwide as one of the world's leading experts in photonics – the synthesis of electronics and optical communication.

In the 1980's Dr Mears addressed the challenge of increasing the capacity and speed of data transmission of fibre optic cables in the telecommunications industry by inventing an optical amplifier, known as the Erbium Doped Amplifier ("EDFA"). EDFA technology increased usable capacity of optical fibre by more than 1000 times. It was and remains a key enabling technology of the internet.

If re-elected, Dr Robert Mears will continue as a Director and be subject to retirement by rotation in accordance with the Company's Constitution.

The Board, with the exception of Dr Mears, unanimously recommends that Shareholders vote in favour of the re-election of Dr Mears.
