Dear Lisa

**RE: Price Query**

I refer to your letter of 26 October 2015 regarding a price query related to an increase in the price of the company's securities. In response to the specific questions contained in your letter, we advise as follows:

1. *Is the Entity aware of any information concerning it that has not been announced to the market which, if known by some in the market, could explain the recent trading in its securities?*

The Entity is not aware of any information that has not been announced that could be an explanation for the recent trading in the Company's securities.

2. *If the answer to question 1 is "yes":*

- a) *Is the Entity relying on Listing Rule 3.1A not to announce that information under Listing Rule 3.1?*

*Please note that the recent trading in the Entity's securities would suggest to ASX that such information may have ceased to be confidential and therefore the Entity may no longer be able to rely on Listing Rule 3.1A. Accordingly, if the answer to this question is "yes", you need to contact us immediately to discuss the situation.*

- b) *Can an announcement be made immediately?*

*Please note, if the answer to this question is "no", you need to contact us immediately to discuss a trading halt (see below).*

- c) *If an announcement cannot be made immediately, why not and when is it expected that an announcement will be made?*

Not Applicable.

3. *If the answer to question 1 is “no”, is there any other explanation that the Entity may have for the recent trading in its securities?*

The Company has released information to the market periodically with the latest being a copy of the Managing Director’s presentation at the Australian Micro Cap Investment Conference. The Company was also mentioned in an article in The Australian on 24 October title “Geodynamics: from ‘hot rocks’ to hot stock”. The Company has no additional information to disclose at this time and therefore has no other explanation for the recent trading in its securities.

4. *Please confirm that the Company is in compliance with the Listing Rules and, in particular, Listing Rule 3.1.*

The Company confirms that it is in compliance with the Listing Rules and in particular, Listing Rule 3.1.

Yours sincerely

Dear Mr Pritchard,

**Geodynamics Limited (the “Entity”): ASX price query**

We have noted a change in the price of the Entity’s securities from a low of \$0.03 to a high of 0.035 today, Monday, 26 October 2015.

We also note an increase in the trading volume of the Entity’s securities.

In light of the price and volume increase, ASX asks you to respond separately to each of the following questions:

1. Is the Entity aware of any information concerning it that has not been announced to the market which, if known by some in the market, could explain the recent trading in its securities?
2. If the answer to question 1 is “yes”:
  - a) Is the Entity relying on Listing Rule 3.1A not to announce that information under Listing Rule 3.1?

Please note that the recent trading in the Entity’s securities would suggest to ASX that such information may have ceased to be confidential and therefore the Entity may no longer be able to rely on Listing Rule 3.1A. Accordingly, if the answer to this question is “yes”, you need to contact us immediately to discuss the situation.
  - b) Can an announcement be made immediately?

Please note, if the answer to this question is “no”, you need to contact us immediately to discuss requesting a trading halt (see below).
  - c) If an announcement cannot be made immediately, why not and when is it expected that an announcement will be made?
3. If the answer to question 1 is “no”, is there any other explanation that the Entity may have for the recent trading in its securities?
4. Please confirm that the Entity is in compliance with the Listing Rules and, in particular, Listing Rule 3.1.

### **Listing Rule 3.1**

Listing Rule 3.1 requires a listed entity to give ASX immediately any information concerning it that a reasonable person would expect to have a material effect on the price or value of the entity's securities. Exceptions to this requirement are set out in Listing Rule 3.1A.

The obligation of the Entity to disclose information under Listing Rules 3.1 and 3.1A is not confined to, nor is it necessarily satisfied by, answering the questions set out in this letter.

In responding to this letter, you should have regard to the Entity's obligations under Listing Rules 3.1 and 3.1A and also to Guidance Note 8 *Continuous Disclosure: Listing Rules 3.1 – 3.1B*.

### **Trading halt**

If you are unable to respond to this letter by the time specified above, or if the answer to question 1 is "yes" and an announcement cannot be made immediately, you should discuss with us whether it is appropriate to request a trading halt in the Entity's securities under Listing Rule 17.1.

If you wish a trading halt, you must tell us:

- the reasons for the trading halt;
- how long you want the trading halt to last;
- the event you expect to happen that will end the trading halt;

- that you are not aware of any reason why the trading halt should not be granted; and
- any other information necessary to inform the market about the trading halt, or that we ask for.

We may require the request for a trading halt to be in writing. The trading halt cannot extend past the commencement of normal trading on the second day after the day on which it is granted.

You can find further information about trading halts in Guidance Note 16 *Trading Halts & Voluntary Suspensions*.

If you have any queries or concerns about any of the above, please contact me immediately.
