ENERGY

~AUD\$7M Debt Recovery Update

As announced on 23 September 2015, Orpheus Energy ("**Orpheus**" or "**the Company**") presented post-dated cheques provided by Nugroho Suksmanto, amounting to 20.8 billion Rupiah (~AUD\$2.08M) to the bank in Indonesia, on three separate occasions, five working days apart, as required by Indonesian law, and on each presentation the bank advised there were insufficient funds to honour the cheques.

As previously announced on 30 July 2015, Orpheus had agreed to a Settlement Agreement with Suksmanto, whereby Suksmanto was required to make a payment in the amount of 20.8 billion Rupiah (~AUD\$2.08M) by 31 August 2015, as part of the overall 70 billion Rupiah (~AUD\$7M owing to Orpheus). As the cheques were not able to be honoured, Suksmanto was in breach of the Settlement Agreement.

As also announced on 30 July 2015, as part of the Settlement Agreement, Orpheus was provided with additional security from Suksmanto's family (Noegroho Pranoto and Yohana Kurniastuti), in the form of a pledge agreement over 1,073 shares (equivalent to 7%) owned by Noegroho Pranoto in Indonesian property development company, PT Abadi Guna Papan ("**AGP**") and a pledge agreement over 578 shares (equivalent to 3.5%) owned by Yohana Kurniastuti in AGP ("**Shares Pledge Agreements**"). Among numerous developments, AGP owns the 28-storey office building where Orpheus's Jakarta office is located in the Mega Kuningan CBD area.

Suksmanto is still to pay any of the outstanding funds owed to Orpheus.

Given Suksmanto's continuing breach of the Settlement Agreement, Orpheus, as the pledgee under the Shares Pledge Agreements is entitled to sell the pledged shares, on behalf of the pledgors based on powers of attorney to sell shares and consents to transfer issued by the pledgors, to recover the outstanding funds owed to Orpheus.

An independent valuation report on the AGP property portfolio has now been completed, valuing the security held by Orpheus far in excess of the amount owed to Orpheus. The Company is in ongoing, advanced negotiations with three separate parties to acquire the equity in AGP. Additionally, Orpheus is in discussions with a global real estate services firm specializing in commercial property, with the objective of appointing the firm to arrange for the sale of the equity in AGP or the underlying property assets themselves.

Reverse take-over update

Orpheus is progressing its strategy of a reverse take-over of a profitable software services company.

The software services company is in the process of completing its annual audit, after which it is envisaged that a binding Share Purchase Agreement will be executed by Orpheus and the RTO target company, which will be subject to final due diligence, Board approval and any regulatory approvals.

Full details of the proposed transaction will then be shared with all Orpheus shareholders.

The ASX has advised in response to the Company's application for in-principle advice that given the nature and scale of the Company's business will change if the reverse-takeover is carried out, the Company is required to re-comply with Chapters 1 and 2 of the Listing Rules and seek member approval to carry out the reverse-takeover. Further, Orpheus will remain suspended until this is satisfactorily completed.

Change of Registered Address and Company Secretary

As announced on 31 August 2015, Orpheus Energy Limited's new registered office changed to Suite 9, Level 3, 3 Spring Street Sydney NSW 2000 Australia, effective 1 September 2015.

Additionally, Wesley Harder stepped down as Company Secretary, remaining on the Orpheus Board as a Director, and fellow Director David Smith assumed the Company Secretary role, also effective 1 September 2015.

Note Funds from signed agreements for sale of assets to Nugroho Suksmanto approved by shareholders at the EGM on 14 August 2014, yet to be received - \$6.89 million. Orpheus subsequently executed a settlement agreement with Nugroho Suksmanto with payments in monthly instalments commencing with approx \$2.08 million to be paid by 31 August 2015. This payment was not met and Suksmanto is in breach of the settlement agreement.

As part of the settlement agreement Orpheus has been provided with additional security in the form of a pledge over shares in a real estate company in which Nugroho Suksmanto has a controlling interest. Given Suksmanto's breach of the Settlement Agreement, Orpheus, as the pledgee under the Shares Pledge Agreements is entitled to sell the pledged shares, on behalf of the pledgors based on powers of attorney to sell shares and consents to transfer issued by the pledgors, to recover the outstanding funds owed to Orpheus.

An independent valuation report on the AGP property portfolio has now been completed, valuing the security held by Orpheus far in excess of the amount owed to Orpheus. The Company is in ongoing, advanced negotiations with three separate parties to acquire the equity in AGP. Additionally, Orpheus is in discussions with a global real estate services firm specializing in commercial property, with the objective of appointing the firm to arrange for the sale of the equity in AGP or the underlying property assets themselves.

In the event that additional funds are needed for working capital the Directors of Orpheus have indicated their willingness to contribute further short term loan funds.

Notes

- 1 The quarterly report provides a basis for informing the market how the entity's activities have been financed for the past quarter and the effect on its cash position. An entity wanting to disclose additional information is encouraged to do so, in a note or notes attached to this report.
- 2 The "Nature of interest" (items 6.1 and 6.2) includes options in respect of interests in mining tenements acquired, exercised or lapsed during the reporting period. If the entity is involved in a joint venture agreement and there are conditions precedent which will change its percentage interest in a mining tenement, it should disclose the change of percentage interest and conditions precedent in the list required for items 6.1 and 6.2.
- 3 **Issued and quoted securities** The issue price and amount paid up is not required in items 7.1 and 7.3 for fully paid securities.
- 4 The definitions in, and provisions of, *AASB 1022: Accounting for Extractive Industries* and *AASB 1026: Statement of Cash Flows* apply to this report.
- 5 **Accounting Standards** ASX will accept, for example, the use of International Accounting Standards for foreign entities. If the standards used do not address a topic, the Australian standard on that topic (if any) must be complied with.
