June 2015 Quarterly Activities Report

- **\$5,870,000 cash on hand at 30 June 2015**
- **Buy Back of 1.5% net smelter royalty (NSR) on Fermont Property Holdings and Consolidated Fire Lake North Project**
- **Acquisition of strategic claims enhancing Fermont Property Holdings**

REPORTING CURRENCY

Champion Iron Limited (Champion or the Company) has adopted Canadian Dollars as the reporting currency. Accordingly all financial details are in Canadian Dollars unless otherwise stated.

BUY BACK OF 1.5% NSR

Through its wholly-owned subsidiary Champion Iron Mines Limited, the Company repurchased from Fancamp Exploration Ltd. ("Fancamp") a 1.5% net smelter royalty ("NSR") interest, representing half of a total 3% NSR on production from the Fermont property holdings, including Champion's flagship CFLN project. Under the terms of the original Option/Joint Venture agreement from which Champion acquired its interest in the Fermont property holdings, a 3% NSR was payable 50% to each of The Sheridan Platinum Group Ltd. ("Sheridan") and Fancamp with a provision for repurchasing 1% of the total 3% NSR for \$3.0 million, subsequently amended to repurchase 0.5% of the total 3% NSR for \$1.5 million. Fancamp recently acquired Sheridan's 50% interest in the 3% NSR (ie. 1.5%) with Champion waiving its right of first refusal in order to enable completion of the transaction. Subsequently, Champion closed a separate agreement with Fancamp to purchase from Fancamp the same 1.5% NSR acquired from Sheridan for total consideration of \$300,000. The consideration was paid as \$50,000 in cash plus the issue of a promissory note for \$250,000 on closing June 25th. The promissory note is due and payable 4 months from the closing date of the transaction.

ACQUISITION OF STRATEGIC CLAIMS

The Company acquired 4 claims located in the centre of the original Fire Lake North claim group while also acquiring 10 additional claims between the O'keefe-Purdy and Consolidated Fire Lake North claim groups. These fourteen new claims are added to the Consolidated Fire Lake North claim totals. The 14 claims were acquired by staking when Quinto Mining (a subsidiary company of Cliffs Natural Resources Inc.) allowed the claims to expire. The 4 claims located within the Fire Lake North claim group will provide significant

flexibility in the design of overburden, rock and tailings waste dumps by reducing transport distance from the proposed mine and/or process plant.

CONSOLIDATED FIRE LAKE NORTH (CFLN) PROJECT

The Company expended \$385,851 on limited exploration activity on the CFLN Project during the quarter ended 30 June 2015. Following the completion of the exploration phase of the CFLN project, the exploration camp at Fire Lake North has been dismantled to minimize costs at the site. Removal of the camp septic system and final clean-up of the camp site was completed during the quarter.

Champion has selected Australian based Mineral Technologies to complete a testwork study to improve the concentrate quality and iron recovery from the CFLN prefeasibility results. Previous testwork with a 3 stage spiral circuit produced a 65% Fe concentrate with an 82% iron recovery. Champion's objective is to modify the flowsheet to achieve a 67% Fe concentrate with an 85% iron recovery. The improvements will position Champion's concentrate as one of the highest quality sinter feeds.

SOCIÉTÉ FERROVIAIRE DU NORD QUÉBÉCOIS (SFNQ) - RAIL FEASIBILITY STUDY

Champion continues to participate with the Québec government in the advancement of a multi-user railway solution to connect mine developers and producers in the Labrador Trough with the Port of Sept-Ile's new multi-user ship loading facilities at Pointe Noire. This remains Champion's preferred railway and port solution following evaluation and consideration of alternatives including several independent rail options to Pointe Noire and alternatives to access Baie-Comeau.

OTHER PROJECTS

There were minimal activities at the Company's other exploration projects primarily undertaken to maintain current, significant mineral claim holdings.

CASH POSITION

As at 30 June 2015, Champion had \$5.87 million cash in hand. During the quarter ended 30 June 2015, \$388,000 was spent on exploration and administration activities. Further detail is provided in the attached Appendix 5B.
