

## ASX/Media Release

4 June 2015

# Appointment of Chief Financial Officer and Company Secretary

Monash IVF Group Ltd (ASX: MVF), a leading provider of assisted reproductive services (ARS) and specialist womens imaging and diagnostic services in Australia and Malaysia, is pleased to announce the appointment of Mr Michael Knaap as the Group's Chief Financial Officer (CFO) and Company Secretary. Mr Knaap will join MVF in September 2015.

An experienced CFO with more than 15 years' experience in senior finance roles with listed and unlisted companies, Mr Knaap joins Monash IVF from ASX-listed Patties Foods Limited where he has held a number of executive positions over the past six years, most recently as CFO and Company Secretary.

Monash IVF Group Chief Executive Officer James Thiedeman said: "Michael is an experienced senior finance executive with a strong operational background in a listed-company environment. He brings exceptional financial, strategic and leadership skills to Monash IVF Group. I look forward to the positive contribution he will undoubtedly bring to our Group as we continue to expand our footprint in the assisted reproductive services and specialist womens imaging sectors."

The appointment of Mr Knaap to replace Mr Rodney Fox was part of a planned transition that enables Mr Fox to return to his base in Sydney. The Board and management colleagues thank Mr Fox for his valuable contribution over the past four years, in particular overseeing the transition of Monash IVF Group to a listed company following its Initial Public Offering (IPO) in June 2014.

"I would like to thank Rodney for his considerable contribution to Monash IVF Group. Rodney will remain with us in the short term to assist with a smooth and seamless transition."
