

## **ASX Announcement**

24 February 2015

### **Kollakorn Recent Successes**

The Directors of Kollakorn Corporation Limited (ASX: **KKL**) are pleased to advise that after a successful phase 1 of the Israel project the Company has received an order to supply further tags for phase 2 of the trial.

#### **Israel**

The Israel project is for the pilot with the biggest bus company in Israel. This company has subsidiaries throughout Israel and Europe. The project will install RFID tags with our break on removal technology for tracking buses and cars in all of the Israeli company's branches.
