## NEXTDC Signs Major International Customer for S1 Sydney

NEXTDC Limited (ASX: NXT) ("NEXTDC") is pleased to advise that it has entered into a contract for the provision of data centre services to a major international customer ("the Customer").

The Customer has contracted for initial capacity of over 1.0MW at NEXTDC's S1 Sydney facility. The term of the contract is for three years with an option to extend for a further three years. The initial capacity may expand to over 1.4MW and the Customer has the option to expand that capacity by a further 1.4MW.

The Customer is expected to be active (billing) from April 2015.

NEXTDC has sufficient capacity available at S1 for this commitment.

### About NEXTDC

As Australia's leading Data-Centre-as-a-Service (DCaaS) provider, NEXTDC is revolutionising cloud computing in Australia.

An ASX300 company and the only independent data centre operator with a strategic footprint in all major growth markets in Australia, NEXTDC offers a range of highly flexible, resilient and secure colocation services to corporate, government and IT services companies.

NEXTDC's purpose-built facilities have been designed to address the market's growing appetite for energy-efficient carrier-neutral data centres in which organisations can host critical IT infrastructure and selectively source services through their diverse national ecosystem.

NEXTDC is where the cloud lives.
