## EXPLANATORY STATEMENT

The Directors recommend that Shareholders read this Explanatory Statement before determining whether or not to support the Resolutions.

Resolution 1 to be voted on is an advisory resolution. An advisory resolution does not bind the Company or its Directors. The Directors will consider the outcome of the vote and comments made by shareholders on the remuneration report at the meeting. Resolutions 2, 4 and 5 are ordinary resolutions. ### RESOLUTION 1: ADOPTION OF REMUNERATION REPORT

The Remuneration Report details the remuneration policy for the Company and reports the remuneration arrangements for Key Management Personnel that includes Directors and other Employees. The Remuneration Report is available in the Company's 2014 Annual Report.

The Chairman will give Shareholders a reasonable opportunity to ask questions about or make comments on the Remuneration Report. A reasonable opportunity will be provided for discussion of the Remuneration Report at the meeting. Pursuant to the *Corporations Act*, the vote on this resolution is advisory only and does not bind the Company or its Directors. However the Board will consider the outcome of the vote and comments made by Shareholders on the Remuneration Report at the meeting when reviewing the Company's remuneration policies and practices.

*In the interests of corporate governance, the Directors abstain from making a recommendation in relation to this resolution.*

*The Directors, with Mr Peiqi Zhang abstaining, recommend that Shareholders vote in favour of this Resolution.*

### **RESOLUTION 3: INCREASE IN SHARE ISSUE CAPACITY (UNDER LISTING RULE 7.1A)**

#### **General**

ASX Listing Rule 7.1A enables mid to small cap listed companies to seek shareholder approval by special resolution to issue equity securities equivalent to an additional 10% of the number of ordinary securities on issue by way of placements over a 12 month period (**10% Placement Facility**). This is in addition to the existing 15% placement capacity permitted by ASX Listing Rule 7.1.

A company is eligible to seek shareholder approval for this additional placement capacity if it satisfies both of the following criteria at the date of the AGM:

- (a) the company has a market capitalisation of \$300 million or less; and
- (b) it is not included in the S&P/ASX 300 Index.

The Company currently satisfies both the above criteria, and it is anticipated that it will satisfy both these criteria at the date of the AGM as well.

Accordingly, Resolution 3 seeks approval of ordinary shareholders by special resolution for issue of such number of equity securities as calculated under the formula in ASX Listing Rule 7.1A.2, at an issue price as permitted by ASX Listing Rule 7.1A.3 to such persons as the Board may determine, on the terms as described in this Explanatory Statement.

At the date of this Notice, the Company has on issue 75,125,720 fully paid ordinary shares and a capacity to issue:

- (a) 11,268,858 equity securities under ASX Listing Rule 7.1; and
- (b) 7,512,572 equity securities under ASX Listing Rule 7.1A, subject to shareholder approval being sought under Resolution 3.

The actual number of equity securities that the Company will have capacity to issue under ASX Listing Rule 7.1A will be calculated at the date of issue of the equity securities in accordance with the formula prescribed in ASX Listing Rule 7.1A.2.

The effect of Resolution 3 will be to allow the Directors to issue equity securities under ASX Listing Rule 7.1A during a 10% placement period, without using the Company's 15% placement capacity under ASX Listing Rule 7.1.

#### **Information required by ASX Listing Rule 7.3A**

The minimum price at which the equity securities will be issued will be no less than 75% of the volume weighted average price for ordinary shares calculated over the 15 trading days on which trades are recorded immediately before:

- (a) the date on which the price at which the equity securities are to be issued is agreed; or
- (b) if the equity securities are not issued within 5 trading days of the date in paragraph (a), the date on which the equity securities are issued.

If Resolution 3 is approved by Shareholders and the Company issues equity securities under the 10% Placement Facility, the existing ordinary shareholders face the risk of economic and voting dilution as a result of the issue of equity securities which are the subject of this resolution, to the extent that such shares are issued; including:

- (a) the market price of equity securities may be significantly lower on the issue date than on the date on which this approval is being sought; and
- (b) the equity securities may be issued at a price that is at a discount to the market price for those equity securities on the issue date or the equity securities may be issued as part consideration for the acquisition of a new asset,

which may have an effect on the amount of funds raised by the issue of the equity securities.

The following table gives examples of the potential dilution of existing ordinary shareholders on the basis of the current market price of the company's ordinary shares and the current number of ordinary securities for variable "A" calculated in accordance with the formula in ASX Listing Rule 7.1A.2 as at the date of the Notice.

The table also shows:

- (a) two examples where variable "A" has increased, by 50% and 100%. Variable "A" is based on the number of ordinary securities the Company has on issue. The number of ordinary securities on issue may increase as a result of issues of ordinary securities that do not require Shareholder approval (for example, a pro rata entitlements issue or scrip issued under a takeover offer) or future specific placements under ASX Listing Rule 7.1 that are approved at a future Shareholders' meeting; and
- (b) two examples of where the issue price of ordinary securities has decreased by 50% and increased by 100% as against the current market price.

<sup>1</sup> Variable A in Listing Rule 7.1A.2

The table has been prepared on the following assumptions:

- (a) The Company issues the maximum number of ordinary shares available under the Placement Facility in ASX Listing Rule 7.1A;
- (b) No unlisted options (including any options issued under the 10% Placement Facility) are exercised into ordinary shares before the date of issue of the equity securities under ASX Listing Rule 7.1A;
- (c) The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%;
- (d) The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 10% Placement Facility, based on that Shareholder's holding at the date of the Meeting;
- (e) The table shows only the effect of issues of equity securities under ASX Listing Rule 7.1A, not under the company's 15% placement capacity under ASX Listing Rule 7.1.
- (f) The issue of equity securities under the 10% Placement Facility consists only of shares. If the issue of equity securities includes unlisted options, it is assumed that those unlisted options are exercised into shares for the purpose of calculating the voting dilution effect on existing shareholders; and
- (g) The issue price is \$0.03, being the closing price of the Shares on ASX on 30 September 2014.

If any of the ordinary shares being approved by this resolution are issued, they will be issued within 12 months of the date of the AGM i.e. by 26 November 2015 and the approval being sought by this resolution will cease to be valid if ordinary shareholders approve a transaction under either ASX Listing Rules 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking) prior to 26 November 2015.

The Company may seek to issue the equity securities for the following purposes:

- (a) cash consideration. In such circumstances, the Company intends to use the funds raised for the purpose of continued exploration expenditure on the company's current assets and/or raising working capital for the company; and
- (b) non-cash consideration for the acquisition of new assets and projects. In such circumstances the Company will provide a valuation of the non-cash consideration as required by ASX Listing Rule 7.1A.3.

The Company's allocation policy is dependent on the prevailing market conditions at the time of any proposed issue pursuant to the 10% Placement Facility. The identity of the allottees of any equity securities that may be issued (subject to shareholder approval of Resolution 3) have not been determined as at the date of this Notice, but may include existing shareholders as well as new shareholders who are not related parties or associates of the Company. Any potential allottees will be determined on a case-by-case basis having regard to factors including, but not limited to, the following:

- (a) the methods of raising funds that are available to the Company (including but not limited to, rights issue or other issues in which existing shareholders can participate), while balancing interest from potential allottees with the interests of existing shareholders;
- (b) the effect of the issue of the equity securities on the control of the Company. Allocation will be subject to takeover thresholds;
- (c) the financial situation and solvency of the Company and its projected need for working capital at any given time; and
- (d) advice from corporate, financial and broking advisers (if applicable).

Further, if the Company is successful in acquiring new assets or projects, it is likely that the allottees under the 10% Placement Facility will be the vendors of the new assets or projects.

The Company will comply with the disclosure obligations under ASX Listing Rules 7.1A.4 and 3.10.5A upon the issue of any equity securities.

#### Previous Approval Under ASX Listing Rule 7.1A

- (a) The Company previously obtained shareholder approval under ASX Listing Rule 7.1A at its Annual General Meeting held on 20 November 2013.
- (b) In the twelve months preceding the date of the 2014 AGM, the Company has issued a total of 15,000,000 fully paid ordinary shares, which represents 24.95% of the total number of shares on issue at the commencement of the 12 month period (being 20 November 2013). This share issue was announced to the ASX on 27 August 2014;
- (c) Shareholder approval was obtained at an Extraordinary General Meeting on 3 October 2014 for the ratification of 15,000,000 shares at an issue price of \$0.045 per share which were issued on 27 August 2014 to Tasman ASX Investment Fund One without Shareholder approval. The issue of these shares was within the 25% limit permitted by ASX Listing Rules 7.1 and 7.1A collectively, as follows:
- 8,987,428 equity securities under ASX Listing Rule 7.1; and
  - 6,012,572 equity securities under ASX Listing Rule 7.1A (i.e. the entire capacity was used).

A Voting Exclusion Statement is set out under Resolution 3 in the Notice of Meeting.

At the date of the Notice, the proposed allottees of any securities which may be issued in accordance with this resolution are not as yet known or identified. In these circumstances (and in

accordance with the note set out in ASX Listing Rule 14.11.1 relating to ASX Listing Rules 7.1 and 7.1A), for a person's vote to be excluded, it must be known that that person will participate in the proposed issue. Where it is not known who will participate in the proposed issue (as is the case in respect of the equity securities which may be issued in accordance with this resolution), Shareholders must consider the proposal on the basis that they may or may not get a benefit and that it is possible that their holding will be diluted and there is no reason to exclude their votes.

Resolution 3 is a special resolution. For a special resolution to be passed, at least 75% of the votes cast by shareholders entitled to vote on Resolution 3 must be in favour of the resolution.

*The Directors unanimously recommend shareholders vote in favour of this Resolution.*

#### **RESOLUTION 4: RATIFICATION OF OPTIONS ISSUED UNDER THE BLIGH RESOURCES LIMITED EMPLOYEE OPTION PLAN**

Under ASX Listing Rule 7.1, a company must obtain shareholder approval if it wants to issue more than 15% of its equity securities. ASX Listing Rule 7.4.2 provides that shareholders may approve an issue of securities after the fact so that the securities issued are regarded as having been made with approval for the purpose of ASX Listing Rule 7.1.

Accordingly, Resolution 4 seeks ratification for the issue of 300,000 Options which were issued without shareholder approval. The issue of these Options was within the 15% limit permitted by ASX Listing Rule 7.1. Nevertheless, the Company is requesting Shareholders ratify the issue of the Options the subject of Resolution 4 for the purpose of ASX Listing Rule 7.4 so that the Company will have the flexibility to issue further securities under ASX Listing Rule 7.1 if the need or opportunity arises.

The following awards of Options have been issued:

<b>Name of recipient</b>	<b>No. of Options granted</b>	<b>Date of grant</b>
Melanie Hollis	150,000	7 October 2014
Chantal Huang	150,000	7 October 2014
<b>TOTAL</b>	<b>300,000</b>	

The following performance conditions apply to the issue of the Options the subject of this resolution:

- Appropriate level of tenure as determined by the Managing Director
- Meeting of Key Performance Indicators (KPIs) as approved by the Managing Director.

For the purposes of ASX Listing Rule 7.5, the following information is provided with respect to all awards:

- 300,000 Options were issued in total.
- The Options were issued for nil financial consideration.
- The Options are not quoted on ASX.
- Options may be exercised at \$0.09 per Option upon the achievement of performance conditions.
- All Options are over ordinary shares which may be converted on a one-for-one basis upon achievement of performance conditions and the Company will seek quotation from ASX of any shares issued as a result of the exercise of the Options.
- Options have an expiry date of 7 October 2017.
- The Options were issued to Melanie Hollis and Chantal Huang as described above.
- No funds were raised on the issue of these Options. Exercise monies received upon the conversion of Options will contribute towards working capital of the Company.

- A Voting Exclusion Statement is set out under the resolution in the Notice of Meeting.

*The Directors unanimously recommend shareholders vote in favour of this Resolution.*

## **RESOLUTION 5: APPROVAL OF THE BLIGH RESOURCES LIMITED EMPLOYEE OPTION PLAN**

Bligh seeks shareholder approval for the Bligh Resources Limited Employee Option Plan (**Plan**). The Plan is intended to provide employees and Directors of, and other persons to whom the Directors in their absolute discretion invite to participate in the Plan (**Group Employees**), with an incentive to work towards improving the performance of the Company and the Company's share price through the receipt of Options.

A summary of the Plan is set out as follows.

- (a) Under the Plan, the Board may offer Options to Group Employees whom the Board determines should be entitled to participate in the Plan for no initial consideration (an exercise price is payable upon exercise). The Board may in its absolute discretion determine criteria to apply to a Group Employee to be able to participate in the Plan including, without limitation, a minimum period of service.
- (b) The Company will not apply for ASX quotation of any Options issued under the Plan. The exercise price per Option will be determined by the Board and specified in the offer to the Group Employee.
- (c) The Board may determine and specify in the offer to the Group Employee:
  - the time periods or other conditions, such as the achievement of performance hurdles, that must be satisfied before Options are vested; and/or
  - any other performance conditions that must be satisfied before Options can be exercised.
- (d) The Board will determine the performance hurdles to be applied to awards under the Plan taking into account the Company's strategies and in accordance with the Company's remuneration policies. Generally, any awards granted under the Plan for which performance hurdles are not met, will not vest.
- (e) Options will be exercisable during the options exercise period specified by the Board in the offer to the Group Employee. Subject to the satisfaction of any applicable performance conditions before Options can be exercised, Options are exercisable during the specified exercise period by giving notice of the exercise to the Company and by paying the exercise price for the Options exercised. Each Option entitles the holder to subscribe for one share. The shares allotted upon exercise of the Options will rank equally in all respects with all other issued shares of the Company. The Company will apply for official quotation of those shares on the ASX after they are issued.
- (f) Generally if an Optionholder ceases employment, Options will lapse. An Optionholder will not be entitled to participate in new issues of shares or other securities made by the Company to holders of its shares in respect of his or her Options unless the Options are exercised before the record date for determining entitlements to the issue.
- (g) If the Company undergoes a reorganisation of capital (other than by way of a bonus issue or issue for cash) or undertakes a pro-rata issue (other than a bonus issue) of securities, the terms of the Options and the rights of the participants will be changed to the extent necessary to comply with the ASX Listing Rules.

- (h) The full terms and conditions of the Plan are available on the website of the Company (<http://www.blighresources.com.au/investor-centre/investor-centre.php/>)
- (i) Any offers made or dealing under the Plan are subject to the requirements of the Company's Securities Trading Policy.
- (j) The maximum number of options on issue cannot exceed 5% of the Company's issued shares in that class as at the time of the proposed offer.

#### *Legislative requirements*

Section 260A of the *Corporations Act* provides that a company may financially assist a person to acquire shares (or units in shares) in the company or a holding company of the company if:

- giving the financial assistance does not materially prejudice the interests of the company or its shareholder or the company's ability to pay creditors;
- the assistance is approved by shareholders under section 260B; or
- the assistance is exempted under section 260C.

Section 260C(4) of the *Corporations Act*, provides that financial assistance is exempted from section 260A if it is given under an employee share scheme that has been approved by a resolution passed at a general meeting of the company adopting the employee share scheme.

The Company will only be able to rely on ASX Listing Rule 7.2, Exception 9 (an exception to the restrictions regarding the issue of capital without shareholder approval under ASX Listing Rule 7.1) if there has been no change to the number or terms of the securities to be issued, the mechanism for pricing or payment or any other material terms of the Plan. Any securities issued following material changes to the Plan will not have the benefit of ASX Listing Rule 7.2, Exception 9 until such time as the revised plan is approved by shareholders.

A total of 300,000 Options have been issued under the Plan to two recipients. Further details are outlined in Resolution 4 above.

A voting exclusion statement is set out under Resolution 5 in the Notice of Meeting.

*The Directors unanimously recommend shareholders vote in favour of this Resolution.*

To appoint a second proxy you must:

- (a) on each of the first Proxy Form and the second Proxy Form state the percentage of your voting rights or number of securities applicable to that form. If the appointments do not specify the percentage or number of votes that each proxy may exercise, each proxy may exercise half your votes. Fractions of votes will be disregarded; and
