

22 October 2021

Change of Directors Interests

Attached are Appendix 3Y forms in relation to Mr Paul Mulder and Mr Timothy Crossley.

The changes are in relation to the issue of shares in lieu of a portion of cash salary for both parties for the quarters ending June 2021 and September 2021.

Due to an administrative oversight, the Appendix 3Y forms relating to the issue of these shares for the quarter ended June 2021 were not lodged, and accordingly the issue of shares for both quarters has been detailed and included in the attached Appendix 3Y forms.

Procedures have been reviewed to ensure such oversight does not re-occur.

ABOUT MAYUR RESOURCES

Mayur Resources is an ASX-listed company focused on the development of natural resources in Papua New Guinea. Our diversified asset portfolio spans iron sands, lime and cement, battery minerals and power generation. Mayur also holds a 43% interest in copper gold explorer/developer Adyton Resources, a company listed on the TSX-V (TSXv:ADY).

Mayur's unique portfolio of projects, are strategically located in coastal locations for easy development access and easy future access to sea borne markets.

The company's flagship asset is the wholly owned Central Cement and Lime Project, which is located on the coast 25km north-west of Port Moresby in PNG and was awarded a 20-year Mining Lease in August 2020. A Definitive Feasibility Study has been completed for the project which has a target annual output of 1.65Mt cement/clinker and 400,000t quicklime for supply to PNG, Australia and the South Pacific at much lower cost than Asian exporters. A 382Mt Maiden JORC Resource has been certified across two deposits (Kido and Lea Lea) at the project site. The project's production profile utilises 30 years of resource with another 100 years of resource yet to be allocated.
