Notes

- (1) This resolution is advisory only and does not bind the Company or the Directors.

- 13 The following definitions apply in this document:

ASX means ASX Limited (ACN 008 624 691) or the financial market operated by ASX Limited, as the context requires.

ASX Listing Rule means the official listing rules of ASX as amended from time to time.

Closely Related Party means the closely related parties of Key Management Personnel as defined in the Corporations Act, and includes certain members of their family, dependants and companies they control.

Corporations Act means the *Corporations Act 2001* (Cth).

Directed Proxy Form means a proxy form which specifies how the proxy is to vote.

Key Management Personnel of the Company are the Directors of the Company and those other persons having authority and responsibility for planning, directing and controlling the activities of the Company, directly or indirectly. Explanatory Memorandum

This explanatory memorandum has been prepared to assist shareholders with their consideration of the resolutions to be put to the Annual General Meeting to be held on Thursday, 25 November 2021. These explanatory notes should be read with, and form part of, the accompanying Notice of Annual General Meeting.

1 Financial statements and reports

The ReNu Energy Limited Annual Report 2021 (which includes the Financial Report, the Directors' Report and the Auditor's Report) will be presented to the meeting.

There is no requirement for shareholders to approve these reports. However, the Chairman of the meeting will allow a reasonable opportunity for shareholders to ask questions about, or make comments on, the management of the Company. Shareholders will be given a reasonable opportunity to ask the auditor questions about the conduct of the audit and the content of the Auditor's Report.

2 Resolution 1 – Adoption of the Remuneration Report

The Remuneration Report of the Company for the financial year ended 30 June 2021 is set out in the Company's 2021 Annual Report.

The Remuneration Report sets out the Company's remuneration arrangements for Directors and the Company's Key Management Personnel. The Chairman of the meeting will allow a reasonable opportunity for shareholders to ask questions about, or make comments on, the Remuneration Report at the meeting. In addition, shareholders will be asked to vote on the Remuneration Report.

The resolution is advisory only and does not bind the Company or its Directors. Although the vote is advisory, the Directors recognise this vote as an indication of shareholder sentiment and have careful regard to the outcome of the vote and any discussion when setting the Company's remuneration policies. The Directors believe that the Company's remuneration policies and structures are appropriate relative to the size of the Company and its business.

Under the Corporations Act, if 25% or more of the votes that are cast are voted against the Remuneration Report at two consecutive Annual General Meetings, shareholders will be required to vote at the second of those Annual General Meetings on a resolution (a 'spill resolution') that another meeting be held within 90 days at which all of the Company's Directors (other than the Managing Director) must stand for re-election.

A voting exclusion applies to Key Management Personnel and their Closely Related Parties in certain circumstances – please see the voting exclusion in the notes to Resolution 1.

The Chairman of the Meeting intends to vote all Undirected Proxy Forms **in favour** of this Resolution.

As the Directors have a personal interest in Resolution 1, they make no recommendation as to how shareholders should vote on the Resolution.

3 Resolution 2 – Re-election of Mr Boyd White as a Director

3.1 Background

Clause 14.4 of the Company's Constitution requires one third of the Directors (excluding the Managing Director and any casual Director), or, if their number is not three or a multiple of three, then the number nearest but not exceeding one-third, to retire from office by rotation. The Directors to retire in each year shall be those who have been longest in office since their last election but as between persons who became directors on the same day shall (unless they otherwise agree between themselves) be determined by lot.

3.2 Re-election of Mr Boyd White

Boyd White retires from office by rotation in accordance with clause 14.4 of the Company's Constitution and, being eligible for re-election, offers himself for re-election.

Mr White was appointed to the Board as Non-Executive Chairman on 20 December 2019. He is the Chair of the Company's Audit and Risk Management Committee and a member of the Remuneration and Nominations Committee.

Mr White has an accomplished record in the power (renewable and thermal), transmission, oil, gas and mining sectors. He has over 30 years of business experience and brings strong strategic, commercial, development and entrepreneurial skills to the Company's Board.

Mr White has held executive roles internationally with US multinationals Halliburton Company and KBR Inc, and domestically with Tarong Energy, and Territory Generation. He was a founding partner in ARC Developments International, providing energy advisory services and developing or acquiring renewable energy projects.

Mr White is currently the Principal of New Energy Capital and, amongst other things, is developing a €300m integrated bioenergy business in Europe and involved in executive management, clean energy and capital raising activities in the small cap resources sector.

Mr White holds a Bachelor of Business (Accounting) from Queensland University of Technology and an MBA from the University of Queensland.

Mr White is considered by the Board to be an independent director.

The Directors (with Mr White abstaining) recommend that shareholders vote in favour of this resolution

4 Resolution 3 – Approval of Enhanced Placement Capacity

4.1 Listing Rule 7.1A

Listing Rule 7.1A enables eligible entities to issue shares up to 10% of their issued share capital through placements over a 12 month period after the Annual General Meeting (**Enhanced Placement Capacity**). This Enhanced Placement Capacity is in addition to the Company's ordinary 15% placement capacity under Listing Rule 7.1.

The Company is an eligible entity for the purposes of Listing Rule 7.1A as it has a market capitalisation of less than \$300 million and is not included in the S&P/ASX 300 Index.

Resolution 3 is a special resolution and therefore requires approval of 75% of the votes cast by shareholders present and eligible to vote (in person, by proxy, by attorney or, in the case of a case of a corporate shareholder, by a corporate representative).

If approved, the effect of Resolution 3 will be to allow the Company to issue shares under Listing Rule 7.1A during the Enhanced Placement Period (defined below) without shareholder approval in addition to the Company's ordinary 15% placement capacity under Listing Rule 7.1.

If Resolution 3 is not passed, the Company will not be able to issue shares under the Enhanced Placement Capacity pursuant to Listing Rule 7.1A and will remain subject to the Company's ordinary 15% placement capacity limit on issuing shares without shareholder approval set out in Listing Rule 7.1.

4.2 Calculation of the Enhanced Placement Capacity

The actual number of shares that the Company will have capacity to issue under the Enhanced Placement Capacity will be calculated at the date of issue of the shares in accordance with the formula prescribed in Listing Rule 7.1A.2.

4.3 Minimum Issue Price

The shares issued under the Enhanced Placement Capacity must be issued for cash consideration per share which is not less than 75% of the volume weighted average price of shares in the same class calculated over the 15 trading days immediately before:

- (a) the date on which the price at which the shares are to be issued is agreed by the Company and the recipient of the shares; or
- (a) if the shares are not issued within 10 trading days of the date in paragraph 4.3(a) above, the date on which the shares are issued.

4.4 Enhanced Placement Period

Shareholder approval of the Enhanced Placement Capacity is valid, and shares will only be issued, from the date of the Annual General Meeting at which the approval is obtained and expires on the earlier to occur of:

- (a) the date that is 12 months after the date of the Annual General Meeting at which the approval is obtained (which is expected to be 25 November 2021);
- (b) the time and date of the Company's next Annual General Meeting; or
- (c) the time and date of the approval by shareholders of a transaction under Listing Rules 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking) (**Enhanced Placement Period**).

4.5 Dilution of existing shareholders

Dilution risks

If Resolution 3 is approved by shareholders and the Company issues shares under the Enhanced Placement Capacity, the existing shareholders' voting power in the Company will be diluted as shown in the below table.

Economic risks

There is a risk that the market price for the Company's shares may be significantly lower on the date of the issue of the shares than on the date of this meeting. The shares may be issued at a price that is at a discount to the market price for the Company's shares on the issue date. If shares are issued at a discount to the net tangible asset value per share (**NTA**) there may be a negative impact on NTA.

Potential dilution of existing ordinary shareholders

The below table shows the dilution of existing shareholders on the basis of the current market price of shares and the current number of ordinary securities for variable "A" calculated in accordance with the formula in Listing Rule 7.1A.2 as at the date of this Notice.

The table also shows:

- two examples where variable "A" has increased, by 50% and 100%. Variable "A" is based on the number of ordinary securities the Company has on issue. The number of ordinary securities on issue may increase as a result of issues of ordinary securities that do not require shareholder approval or future specific placements under Listing Rule 7.1 that are approved at a future shareholders' meeting; and
- two examples of where the issue price of ordinary securities has decreased by 50% and increased by 100% as against the current market price.

Variable 'A' in Listing Rule 7.1A.2		Dilution		
		\$0.028 50% decrease in issue price	\$0.056 issue price	\$0.112 100% increase in issue price
Current Variable A 132,762,923	10% voting dilution	13,276,292	13,276,292	13,276,292
	Funds raised	\$371,736.18	\$743,472.37	\$1,486,944.74
50% increase in Variable A 199,144,385	10% voting dilution	19,914,438	19,914,438	19,914,438
	Funds raised	\$557,604.28	\$1,115,208.55	\$2,230,417.11
100% increase in Variable A 265,525,846	10% voting dilution	26,552,585	26,552,585	26,552,585
	Funds raised	\$743,472.37	\$1,486,944.74	\$2,973,889.48

The table has been prepared based on the following assumptions:

- The Company issues the maximum number of shares available under the Enhanced Placement Capacity.
- The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
- The table does not show an example of dilution that may be caused to a particular shareholder by reason of placements under the Enhanced Placement Capacity.
- The table shows only the effect of issues of shares under Listing Rule 7.1A, not under the Company's ordinary 15% placement capacity under Listing Rule 7.1.
- The issue price is \$0.056, being the closing price of the shares on ASX on 22 October 2021.
- The number of shares on issue is 132,762,923 being the number of shares on issue as at 22 October 2021.

4.6 Other specific information required by Listing Rule 7.3A

Pursuant to and in accordance with Listing Rule 7.3A, the following information is provided in relation to the approval of the Enhanced Placement Capacity:

- The Company may issue shares under the Enhanced Placement Capacity in order to provide additional funding to support the Company's activities, for example, funds raised may be applied towards the Company's working capital and capital investment as the Company continues to advance its renewable and clean energy incubator/ accelerator strategy.
- The Company's allocation policy is dependent on the prevailing market conditions at the time of any proposed issue pursuant to the Enhanced Placement Capacity. The identity of the allottees of shares will be determined on a case-by-case basis having regard to factors including but not limited to the following:
 - the methods of raising funds that are available to the Company, including rights issues or other issues in which existing security holders can participate;
 - the effect of the issue of the shares on the control of the Company;
 - the financial situation and solvency of the Company; and
 - advice from corporate, financial and broking advisers (if applicable).
- The allottees under the Enhanced Placement Capacity have not been determined as at the date of this Notice but may include existing substantial shareholders and/ or new shareholders who are not related parties or associates of a related party of the Company.

- (d) The Company previously obtained shareholder approval under Listing Rule 7.1A at the Company's Annual General Meeting held on 26 November 2020.
- (e) The Company issued 10,621,033 shares under Listing Rule 7.1A during the previous 12 months. These shares were issued on 8 June 2021 as part of a broader \$1.46 million capital raising by way of a share placement to professional and sophisticated investors at an issue price of \$0.055 per share.
- (f) A voting exclusion statement is included in the Notice. At the date of the Notice, the Company has not approached any particular existing shareholder or security holder or an identifiable class of existing security holder to participate in the issue of the shares. No existing shareholder's votes will therefore be excluded under the voting exclusion in the Notice.

The Directors recommend that Shareholders vote in favour of this resolution.
