

Appointment of Chief Financial Officer

intelliHR Limited (ASX: IHR) is pleased to announce the appointment of Mr Paul Trappett CPA MBA as Chief Financial Officer ('CFO'), effective 8 November 2021.

Mr Trappett joined intelliHR in July 2018 in the role of Chief Operating Officer and has demonstrated exceptional leadership skills, playing a key role in delivering intelliHR's strong growth track record since that time.

In addition to his tenure with the organisation, Paul is well positioned to fulfill the role as he possesses deep expertise in strategy, financial management and commercial operations. This expertise, combined with his 10 years of SAAS industry experience in high-growth businesses, will strengthen intelliHR's existing business operations and help enable intelliHR to realise its ambitions to pursue acquisition opportunities.

IHR Managing Director, Mr Robert Bromage said: "I am delighted to announce the appointment of Mr Paul Trappett as IHR's CFO. The appointment of intelliHR's first full-time CFO will ensure we are able to appropriately support the financial and reporting needs of our rapidly growing global business. I am also particularly pleased that we have been able to fill this position from within intelliHR's existing talent pool, given the continuity and understanding of the business which Paul brings to the role.

Authorised for release by the Board of intelliHR.
