Schedule 1

Supplementary Disclosure

The following statements and information are supplementary to, and are incorporated into and form part of, the Information Memorandum (as it relates to the Notes). Any statement or information contained in the Information Memorandum shall be modified or superseded to the extent that a statement or information contained herein modifies or supersedes such earlier statement or information (whether expressly, by implication or otherwise). Any statement so modified or superseded shall not, except as so modified or superseded, constitute a part of the Information Memorandum (as it relates to the Notes). Unless otherwise indicated, terms defined in the Information Memorandum have the same meaning in this Schedule.

First Home Loan Deposit Scheme & research functions

Legislative amendments

In late 2019, the NHFIC Act and Investment Mandate were amended, respectively, by the *National Housing Finance and Investment Corporation Amendment Act 2019* (Cth) and the *National Housing Finance and Investment Corporation Investment Mandate Amendment (First Home Loan Deposit Scheme) Direction 2019* (Cth). Those amendments expanded NHFIC's functions to include (1) the issuance of guarantees to improve housing outcomes, and to establish and operate the Australian Government's First Home Loan Deposit Scheme (**FHLDS**), and (2) undertaking research into housing affordability in Australia.

FHLDS

The FHLDS was established by NHFIC on 1 January 2020 and has been operating from that date. Under the FHLDS, NHFIC provides limited guarantees to participating lenders for residential mortgage loans to first home buyers. Under the present Investment Mandate, NHFIC may issue up to 10,000 such guarantees each financial year, subject to eligibility criteria that includes income and property price thresholds and 5% minimum deposit requirements, and with the liability that is guaranteed by NHFIC effectively capped at 20% of the value of the purchased property minus the deposit paid (**FHLDS Guaranteed Amount**).

In late 2020, the NHFIC Investment Mandate was amended to provide an additional 10,000 FHLDS places for the 2020-21 financial year, specifically for eligible first home buyers building or purchasing new homes. These additional places are known as the First Home Loan Deposit Scheme (New Homes) or FHLDS (New Homes). All FHLDS Guaranteed Amounts:

- are to be met by appropriations out of the Commonwealth Consolidated Revenue Fund, which are authorised on a standing basis to enable NHFIC to meet liabilities in respect of FHLDS Guarantee Amounts and, accordingly, would not need to be met from NHFIC's ordinary earnings; and
- are expressly excluded from being counted in the determination of the "total guaranteed liabilities of the NHFIC", and so are not considered under the "cap", for the purposes of section 34 of the Investment Mandate (see further section 2 *The NHFIC and the Guarantee – Guarantee* of the Information Memorandum).

FHLDS (New Homes) to be extended for 2021-22

On 8 May 2021, under its 2021-2022 Budget, the Australian Government announced the extension of the FHLDS (New Homes). An additional 10,000 FHLDS (New Homes) places will be available from 1 July 2021 to 30 June 2022. More details about the eligibility criteria for the FHLDS (New Homes) can be found at <https://www.nhfc.gov.au/what-we-do/fhlds/new-homes/>.

Family Home Guarantee announced

On 8 May 2021, under its 2021- 2022 Budget, the Australian Government also announced the establishment of a new program called the 'Family Home Guarantee', which will provide eligible single parents with dependants the opportunity to

build a new home or purchase an existing home with a deposit of 2 per cent, subject to the individual's ability to service a home loan.

From 1 July 2021, 10,000 Family Home Guarantees will be made available over four financial years.

The Family Home Guarantee is aimed at single parents with dependants, regardless of whether that single parent is a first home buyer or previous owner-occupier. Applicants must be Australian citizens, at least 18 years of age and have an annual taxable income of no more than \$125,000.

Review of the NHFIC Act

The Australian Government announced in late December 2020 that it had appointed Mr Chris Leptos AM to conduct an independent statutory review of the operation of the NHFIC Act (**Review**). The Review is required under section 57 of the NHFIC Act, and will engage with stakeholders in order to understand whether the NHFIC Act, and NHFIC as an organisation, is delivering on its statutory objectives and whether any amendments to the NHFIC Act should be considered.

As at the date of this Pricing Supplement, the Review is ongoing. Submissions and consultations conducted during the course of the Review, will be used to inform the preparation of a 'final report' to the Australian Government (**Final Report**). The Final Report will make recommendations as to whether any changes to the operation of the NHFIC Act should be considered by the Australian Government. Under s57(2) of the NHFIC Act, the Final Report must be tabled by the responsible Minister in Parliament within 15 days of receiving the Final Report. As at the date of this Pricing Supplement it is not clear when the Final Report will be made publicly available pursuant to s57(2) of the NHFIC Act.

General investment risks

Specific world events that could lead to higher volatility in international capital markets, and which may materially and adversely affect the Issuer's business, financial condition and results of operations.

Among other matters, terrorist attacks, natural calamities and outbreak of communicable diseases around the world may affect investor sentiment and could result in sporadic or sustained volatilities in international capital markets or adversely affect the Australian, regional and other global economies.

For example, the outbreak of COVID-19, which first emerged in late 2019 and has been declared to be a pandemic by the World Health Organisation, has spread across the world resulting in, among other things, travel and transportation restrictions, disruptions in labour markets, trade and general economic activity and increased volatility in international capital markets. Given the uncertainties as to the development of the COVID-19 pandemic, it is difficult to predict how long such conditions will exist and the extent to which the Issuer and the Guarantor may be affected by such conditions. In particular, it has caused disruption to the Australian economy, especially in the travel, tourism and retail segments. Additional extraordinary measures from governments and regulators are occurring and are expected in Australia and globally.

Any material change in the financial markets, the Australian economy or global economies as a result of these events or developments may materially and adversely affect the Issuer's business, financial condition and results of operations.

Guarantee

The final bullet point of section 2 of the Information Memorandum (under the section entitled "Guarantee") is replaced with the following:

- Section 34 of the Investment Mandate provides that the NHFIC Board must not enter into a transaction which would result in the sum of (1) the total guaranteed liabilities of the NHFIC, and (2) the current value of the AHBA reserve (being the reserve established under section 11 of the Investment Mandate), exceeding A\$3 billion (which may be increased to a higher amount approved by the Responsible Minister and the Finance Minister).

The Explanatory Statement for the NHFIC Act and Investment Mandate states that (1) this cap is an obligation on the NHFIC and does not operate to directly limit the effect of the Guarantee, and (2) if the NHFIC inadvertently breached the cap without ministerial approval, the debt issued in excess of the cap would still be subject to the Guarantee.

The Issuer will confirm in each Pricing Supplement that the issuance of the relevant Notes has been duly authorised by the NHFIC Board. Investors should inform themselves about the above and other related provisions of the NHFIC Act and Investment Mandate in relation to the operation of the Guarantee.

Selling restrictions

Sections 2, 3, 4, 5, 6, 7 and 8 of Section 3 of the Information Memorandum (the section entitled "Selling Restrictions") are replaced with the following:
