

Unifying the care experience.

Additional information re: Northern Health Contract

Melbourne, Australia – June 22, 2021—further to the ASX release on Friday 18 June 2021, Oneview Healthcare Plc today announces that the signing of the Northern Health Contract is an important development for the Company as it represents the first Cloud Start customer in Australia. The relationship is also the first project with the Victorian public health sector.

Material terms of the contract with Northern Health include -

- an initial contract of 126 beds;
- a term of 5 years;
- standard software fee arrangements on a per bed per day basis; and
- no material conditions need to be satisfied before the customer becomes legally bound to proceed with the contract.

The Company does not expect the revenue from the contract with Northern Health to be material in 2021.

This announcement was authorised by the Board of Oneview Healthcare Plc.

About Oneview Healthcare

For healthcare systems who lead on exemplary care, Oneview Healthcare provides digital tools for patients, families, and caregivers to improve the care experience. Unifying a facility's systems, content and services into one digital platform with dedicated devices at the point of care, Oneview helps deliver more control for patients and families, more time for care teams, and less complexity for executives and IT teams. Oneview is proud to partner with leading healthcare systems in the US, Australia, the Middle East and Asia. For more information, please visit www.oneviewhealthcare.com.
