Clarification on report of ACCC's position on ANZ's possible acquisition of MYOB

The ACCC is aware of a report that the ACCC has raised preliminary concerns regarding ANZ's (ASX: ANZ) possible acquisition of MYOB, and that the ACCC will conduct a public review.

The ACCC has not expressed any view on this possible transaction.

If the transaction proceeds, the ACCC will make a decision on whether a public review will be conducted once it has received a submission from the parties.

Details of any public review would be posted on our public register.
