Trial of the legal proceedings brought by former CEO

Nuix Limited confirms that the trial of the legal proceedings brought by its former CEO, Edward Sheehy as identified in Nuix's prospectus dated 18 November 2020 commences in the Federal Court of Australia today.

Mr Sheehy seeks declarations and an award of damages in connection with a share option agreement he entered into with the company in 2008. Nuix disputes the claim and is defending it.

The trial of the claim is scheduled to take place in the period between 27 June 2022 to 1 July 2022 and then on 30 and 31 August 2022.

Given the matter is before the Court Nuix will not be providing ongoing commentary in relation to the progress of the proceedings.
