## ***ACTIVITIES REPORT FOR QUARTER ENDING 31 May 2022***

### **EXPLORATION ACTIVITIES**

Sale of the Top Camp Project – which was Orion Metal’s only remaining exploration project – was completed on 15 December 2021 and so no exploration activities were conducted during this quarter.

### **CORPORATE**

#### **Company Update**

Orion’s Directors have continued to concentrate on investigating the acquisition of new assets by the Company to increase value for the benefit of all shareholders and to source new funding arrangements as alternatives to the support which has been provided as loans by Director-related shareholders over recent months.

To this end, Orion has mandated professional advisors to assist and advise the Company on investment opportunities in mining or exploration assets that are in a more advanced or developed stage as well as any further capital raising that may be required by the Company to support its future activities.

Due to delays in finalising new asset acquisitions and funding arrangements, on 16 June 2022 – being 6 months after the date of completion of the sale of the Company’s last remaining exploration project – the Australian Securities Exchange (ASX) suspended the Company’s shares from trading on the ASX until it complies with various Listing Rules, in particular the requirements of Chapter 11 – a process that could take some time.

In the meantime, the Company will continue to adhere to all ASX requirements including the timely lodgement of financial reports, notification of material information and its continuous disclosure obligations.

The 28 February 2022 audited annual financial statements were lodged with the ASX on 26 May and the 2022 Annual Report is now available on the Company’s website and is being posted to shareholders who requested a hard copy.

The Company’s Annual General Meeting is scheduled to be held on Friday 29 July 2022 and shareholders are being advised of the availability of the Notice of Meeting and other documentation.

## Financial

The Company's Quarterly Cash Flow Report (Appendix 5B) details funds flow for the most recent reporting period and cash on hand at period-end.

Payments to related parties of the entity and their associates during the period aggregated \$18,000 and were for an executive Director's salary and statutory superannuation.
