Ms Gramp was appointed to the board of Codan in November 2015. She has had a long and distinguished executive career and over 24 years of board experience across a diverse range of complex organisations and industry sectors. She has significant experience as Chair of Audit & Risk Committees.

Prior to joining Codan, Ms Gramp was CFO of Austereo Ltd. She joined Austereo Ltd. in 1989 at a senior corporate level and retired in June 2011. In that time the company grew from 2 radio stations to the largest commercial radio network in Australia, and the leader in Digital and Online Media. Ms Gramp's leadership roles and responsibilities included business planning & re-engineering, debt & equity raising, acquisitions & integration, capital investment, major IT projects, corporate governance, risk management, financial management, tax & accounting, change management and investor & key stakeholder relations. Further experience was gained through exposure to international markets in countries such as Greece, UK, USA, South Africa, Argentina, Malaysia and New Zealand.

Ms Gramp was a Director of Uniti Group Limited (ASX:UWL), Chair of Audit & Risk Committee and member of the Nomination & Remuneration Committee until August 2022. Uniti, a diversified provider of telecommunication services, listed in February 2019 and through acquisition and organic growth increased its enterprise value from around \$30 million at the time of listing to \$3.8 billion in August 2022 when the business was sold to a consortium of financial investors. Accordingly, Resolution 2 provides for the re-election of Ms Gramp as a director of the Company.

Directors' Recommendation

Other than Ms Gramp (who is standing for re-election), the directors recommend that the shareholders vote in favour of Resolution 2.

SPECIAL BUSINESS**Resolution 3 – Approval of the grant of pro-rata Performance Rights to Mr Alfonzo Ianniello for FY22****Background**

Mr Ianniello was appointed as Managing Director and Chief Executive Officer of the Company on 4 January 2022 and has been invited by the Board to participate in the Plan for FY22 and to be issued with pro-rata Performance Rights if approved by shareholders at this AGM. The directors announced the intention to issue Performance Rights to Mr Ianniello for FY22 when his appointment was announced to the ASX on 10 November 2021. It should be noted that the issue of Performance Rights under this resolution is on a pro-rata basis given Mr Ianniello commenced employment with the Company during FY22. As a result, the issue of Performance Rights for FY22 has been calculated on a 50% pro-rata basis.

At the 2004 AGM, shareholders approved the establishment of a plan called the Performance Rights Plan (**Plan**) as part of the overall remuneration strategy of the Company. The Plan provides for the issue of performance rights (**Performance Rights**) to executives of the Company invited by the board to participate in the Plan. The exercise of Performance Rights results in the issue of fully paid ordinary shares in the Company (**Shares**). A copy of the Plan Rules is available on the Company's website www.codan.com.au. A brief summary of the Plan Rules is set out below.

The Plan is designed to provide the Company's executives with an incentive to maximise the return to shareholders over the long term, and to assist in the attraction and retention of key executives. Details of the Company's executive remuneration philosophy and objectives can be found in the 2022 Annual Report.

No other directors have been invited by the Board to participate in the Plan.

Details of any Performance Rights and Shares issued under the Plan will be published in the Company's annual report relating to the period in which they were issued, along with a statement that approval for the issue was obtained under ASX Listing Rule 10.14. Any additional persons covered by ASX Listing Rule 10.14 who becomes entitled to participate in an issue of Performance Rights under the Plan after the resolution is approved and who were not named in the notice of meeting will not participate until approval is obtained under that rule.

Use of Performance Rights

The Board considers that the issue of Performance Rights to Mr Ianniello, which are subject to the performance hurdle described below under the heading 'Performance Hurdle', provide an additional incentive to Mr Ianniello to work towards maximising returns to shareholders and to encourage Mr Ianniello's retention.

The Board also considers the use of Performance Rights is superior to alternative forms of incentives, such as cash, on the basis that the Performance Rights vesting and becoming exercisable and the consequential issuing of Shares in the capital of the Company to Mr Ianniello mean that Mr Ianniello's shareholding in the Company increases, and this creates further incentives for Mr Ianniello to work towards maximising returns to shareholders.

Remuneration package relevant to FY22 Performance Rights

Mr Ianniello's total remuneration package relevant to this pro-rata issue of performance rights for FY22 comprises fixed remuneration of \$1,000,000 (inclusive of superannuation), a short-term cash incentive and a long-term incentive of the issue of the Performance Rights (subject to shareholder approval) calculated in the manner set out under the heading 'Issue of Performance Rights'. The short-term cash incentive and the Performance Rights are subject to Company performance and the meeting of agreed performance objectives and are based on 30% of the fixed remuneration. Shareholders are referred to the remuneration report for further details of Mr Ianniello's remuneration. The Company has not obtained an independent valuation of the Performance Rights. The value attributed by the Company to the Performance Rights is \$150,000 based on a pro-rata 50% of a 30% long term incentive as Mr Ianniello commenced his employment in January 2022, and (assuming the issue of the Performance Rights is approved) based on the Company's contractual obligation to issue to Mr Ianniello the opportunity to acquire that value of Shares through the issue of the number of Performance Rights calculated in accordance with the formula outlined below under the heading "Issue of Performance Rights".

However, it is important to note that the issue of Performance Rights means that the actual value (if any) of the Performance Rights that Mr Ianniello will receive cannot be determined until the end of the three year performance

period and will depend on the extent to which the performance hurdles are met and the share price at the time the Performance Rights vest.

The Remuneration Report as included in the financial statements for the year ended 30 June 2022 disclosed total remuneration of \$724,780 for Mr Ianniello.

Reason for Shareholder Approval

ASX Listing Rule 10.14 requires that a company obtain shareholder approval for the issue of securities under an employee incentive scheme to a director, an associate of a director or a person whose relationship with the company, a director or an associate of a director is such that ASX considers approval should be obtained. Accordingly, as Mr Ianniello is a director of the Company and falls within the category in ASX Listing Rule 10.14.1, shareholder approval is sought for the issue to Mr Ianniello of 16,305 Performance Rights under the Plan relevant to FY22. If approval is given under ASX Listing Rule 10.14, approval is not required under ASX Listing Rule 7.1.

The Performance Rights to be granted to Mr Ianniello are in effect conditional entitlements, which may vest and become exercisable subject to the satisfaction of performance hurdles, details of which are summarised below. Should Shareholders not approve the granting of Performance Rights, Mr Ianniello will not be issued with Performance Rights.

Issue of Performance Rights – FY22

Mr Ianniello has not previously been issued any Shares or Performance Rights by the Company.

The Company proposes to issue 16,305 Performance Rights to Mr Ianniello no later than 1 month after the date of the AGM in respect of the FY22 period. Other than those Performance Rights mentioned in Resolution 4, as no other Performance Rights are being offered to the Company's directors (or other related parties), this is the maximum number of Performance Rights that may be acquired by all persons for whom approval is required.

The number of Performance Rights has been calculated in accordance with the following formula:

$$0.3 \quad \times \quad \frac{\text{Fixed Pay}}{\$9.1993} \quad \times \quad \text{Pro-rata Rate}$$

- Where Fixed Pay equates to Mr Ianniello's annual fixed remuneration for FY22 as Managing Director which is \$1,000,000; and
- \$9.1993 is the volume weighted average of the market prices at which Shares were traded on ASX for the five trading days following Mr Ianniello's appointment as Managing Director and CEO, commencing on 4 January 2022 and ending on close of business 10 January 2022.
- Pro-rata rate is 50% to recognise that Mr Ianniello commenced his employment with the Company in January 2022, which was part way through FY22.

Rights attaching to Performance Rights

A Performance Right is a right to acquire one Share which can be exercised once the Performance Right has become exercisable and provided it has not lapsed.

A Performance Right does not give the holder a legal or beneficial right to Shares and does not enable the participating executive, in this case Mr Ianniello, to receive dividends or any other shareholder benefit by virtue of the issue of these rights unless and until that Performance Right has been exercised and the Share issued.

Exercise of Performance Rights

Performance Rights are exercisable:

- if the Company meets the performance hurdle during the performance period;
- at the discretion of the Board, if an event occurs such as a takeover bid for, or the winding up of, the Company; or
- if the Board allows early exercise on the cessation of employment in certain circumstances.

Performance Period

The performance period is the period commencing on 1 July 2021 and ending on 30 June 2024 (**Performance Period**).

Performance Hurdle

The Performance Rights will vest and become exercisable if the Performance Hurdle is satisfied over the Performance Period in the following circumstances:

- the Performance Hurdle will be met if the Company exceeds the aggregate threshold earnings per share (**eps**) over the Performance Period as set out in the table below;
- all of the Performance Rights will vest and be exercisable if the Company equals or exceeds the aggregate range eps as set out in the table below;
- if the Company achieves an aggregate eps greater than the threshold eps but less than the range eps, the number of Performance Rights that will vest and be exercisable will be calculated on a pro rata basis in accordance with the following formula:
 - $A = (B - C) / D \times E$
 - Where:
 - A = the number of Performance Rights that will vest and become exercisable (rounded down to the nearest whole number)
 - B = the aggregate actual eps over the Performance Period
 - C = the aggregate threshold eps
 - D = the aggregate range eps less the aggregate threshold eps
 - E = the number of Performance Rights issued as set out above.

Year ended	Threshold eps	Range eps
30 June 2021 *(base eps)	38.15	38.15
30 June 2022	38.91	41.20
30 June 2023	39.69	44.49
30 June 2024	40.48	48.05
Aggregate – 3 years to 30 June 2024	119.08	133.74

**Base eps of 38.15 cents has been calculated using a net profit after tax of \$69 million as determined by the board for the purpose of the long term incentive plan. The net profit after tax used to calculate the base eps is the average of the actual results achieved in the previous three (3) financial years.*

The Performance Hurdle eps figures have been set on the basis of cumulative annual compounding growth in eps.

The Performance Hurdle threshold is equivalent to the Company achieving an aggregate compound annual growth of 2% per annum in respect of eps for the Performance Period.

The Performance Hurdle range is equivalent to the Company achieving an aggregate compound annual growth rate of 8% per annum in respect of eps for the Performance Period.

If an eps figure for a particular year is not achieved, the threshold eps or range eps will still be met if the aggregate eps in the Performance Period is equal to or exceeds the amounts set out in the table above.

For the purposes of assessing satisfaction of the Performance Hurdle, if the board assesses that any matter has significantly (adversely or positively) impacted on the reported net profit after tax during the Performance Period, the

eps figure used to determine the satisfaction (or otherwise) of the Performance Hurdle may be adjusted at the sole discretion of the board.

Issue Price and Exercise Price

Each Performance Right will be issued to Mr Ianniello for no consideration and will have a nil exercise price. As such, there are no loans in relation to this acquisition. If the Performance Right vests it would allow Mr Ianniello (or his nominee) to exercise the Performance Right and be issued with a Share.

Exercise Period

Once the Performance Rights have become exercisable, Mr Ianniello will need to exercise those rights within 12 months from the date on which they vest and become exercisable, or they will lapse and there will be no further entitlement to any Shares. This period may be shortened in certain circumstances if the Performance Rights have not lapsed.

Bonus issue and capital reconstruction of the Company

The number of Shares to which Mr Ianniello will become entitled on exercise of the Performance Rights will be adjusted to take account of any bonus issues, rights issues or reconstructions which the Company undertakes between the date of allocation of the Performance Rights and the exercise of those rights.

Cessation of employment

Performance Rights lapse immediately if Mr Ianniello's employment with the Company is terminated for misconduct or any other reason justifying termination without notice.

In the case of Mr Ianniello's employment ceasing due to death or permanent disablement, redundancy, retirement, agreement between the Company and Mr Ianniello or from a sale of all or substantially all of the shares or assets of the Company:

- Performance Rights which have otherwise become exercisable remain exercisable up until the end of the exercise period; and
- the Board has a discretion to treat the remaining Performance Rights as exercisable and to set the exercise period for them.

In all other cases where employment ceases, Performance Rights that have not vested and become exercisable will lapse immediately, and Performance Rights that have vested and are exercisable will lapse at the end of 30 days.

Restriction on the disposal of Shares

The Plan provides that 90% of any Shares issued on exercise of the Performance Rights will be restricted from disposal for a further period of two years from the date of issue of the Shares. The remaining 10% of the Shares issued on exercise of the Performance Rights will be restricted from disposal until 12 months after cessation of Mr Ianniello's employment with the Company.

Forfeiture of Shares

Shares issued to Mr Ianniello on exercise of his Performance Rights may be forfeited if he perpetrates fraud against the Company or any of its subsidiaries (**Codan group**), acts dishonestly or breaches his obligations to any member of the Codan group, including any of those obligations that survive cessation of employment.

The right of the Company to cause the Shares, which have been issued on exercise of the Performance Rights, to be forfeited, expires at the end of the relevant restriction period.

Directors' Recommendation

Other than Mr Ianniello (to whom the Performance Rights are to be issued), the directors recommend that shareholders approve the grant of the Performance Rights contemplated by Resolution 3.

Resolution 4 – Approval of the grant of Performance Rights to Mr Alfonso Ianniello for FY23**Background**

At the 2004 AGM, shareholders approved the establishment of a plan called the Performance Rights Plan (**Plan**) as part of the overall remuneration strategy of the Company. The Plan provides for the issue of performance rights (**Performance Rights**) to executives of the Company invited by the board to participate in the Plan. The exercise of Performance Rights results in the issue of fully paid ordinary shares in the Company (**Shares**). A copy of the Plan Rules is available on the Company's website www.codan.com.au. A brief summary of the Plan Rules is set out below.

The Plan is designed to provide the Company's executives with an incentive to maximise the return to shareholders over the long term, and to assist in the attraction and retention of key executives. Details of the Company's executive remuneration philosophy and objectives can be found in the 2022 Annual Report.

Mr Ianniello was appointed as Managing Director and Chief Executive Officer of the Company on 4 January 2022, and has been invited by the Board to participate in the Plan for FY23 and to be issued with Performance Rights if approved by shareholders at this AGM.

No other directors have been invited by the Board to participate in the Plan.

Details of any Performance Rights and Shares issued under the Plan will be published in the Company's annual report relating to the period in which they were issued, along with a statement that approval for the issue was obtained under ASX Listing Rule 10.14. Any additional persons covered by ASX Listing Rule 10.14 who becomes entitled to participate in an issue of Performance Rights under the Plan after the resolution is approved and who were not named in the notice of meeting will not participate until approval is obtained under that rule.

Use of Performance Rights

The Board considers that the issue of Performance Rights to Mr Ianniello, which are subject to the performance hurdle described below under the heading 'Performance Hurdle', provide an additional incentive to Mr Ianniello to work towards maximising returns to shareholders and to encourage Mr Ianniello's retention.

The Board also considers the use of Performance Rights is superior to alternative forms of incentives, such as cash, on the basis that the Performance Rights vesting and becoming exercisable and the consequential issuing of Shares in the capital of the Company to Mr Ianniello mean that Mr Ianniello's shareholding in the Company increases, and this creates further incentives for Mr Ianniello to work towards maximising returns to shareholders.

Current remuneration package

Mr Ianniello's current total remuneration package comprises fixed remuneration of \$1,004,863 (inclusive of superannuation), a short-term cash incentive and a long-term incentive of the issue of the Performance Rights (subject to shareholder approval) calculated in the manner set out under the heading 'Issue of Performance Rights'. The short-term cash incentive and the Performance Rights are subject to Company performance and the meeting of agreed performance objectives and are based on 30% of the fixed remuneration. Shareholders are referred to the remuneration report for further details of Mr Ianniello's remuneration. The Company has not obtained an independent valuation of the Performance Rights. The value attributed by the Company to the Performance Rights is \$301,459 (assuming the issue of the Performance Rights is approved) based on the Company's contractual obligation to issue to Mr Ianniello the opportunity to acquire that value of Shares through the issue of the number of Performance Rights calculated in accordance with the formula outlined below under the heading "Issue of Performance Rights".

However, it is important to note that the issue of Performance Rights means that the actual value (if any) of the Performance Rights that Mr Ianniello will receive cannot be determined until the end of the three year performance period and will depend on the extent to which the performance hurdles are met and the share price at the time the Performance Rights vest.

Based on the above, the Company considers that the value of Mr Ianniello's total remuneration package for this year is \$1,607,781.

Reason for Shareholder Approval

ASX Listing Rule 10.14 requires that a company obtain shareholder approval for the issue of securities under an employee incentive scheme to a director, an associate of a director or a person whose relationship with the company, a director or an associate of a director is such that ASX considers approval should be obtained. Accordingly, as Mr Ianniello is a director of the Company and falls within the category in ASX Listing Rule 10.14.1, shareholder approval is sought for the issue to Mr Ianniello of 40,714 Performance Rights under the Plan. If approval is given under ASX Listing Rule 10.14, approval is not required under ASX Listing Rule 7.1.

The Performance Rights to be granted to Mr Ianniello are in effect conditional entitlements, which may vest and become exercisable subject to the satisfaction of performance hurdles, details of which are summarised below. Should Shareholders not approve the granting of Performance Rights, Mr Ianniello will not be issued with Performance Rights.

Issue of Performance Rights

Mr Ianniello has not previously been issued any Shares or Performance Rights by the Company.

The Company proposes to issue 40,714 Performance Rights to Mr Ianniello no later than 1 month after the date of the AGM. Other than those Performance Rights mentioned in Resolution 3, as no other Performance Rights are being offered to the Company's directors (or other related parties), this is the maximum number of Performance Rights that may be acquired by all persons for whom approval is required.

The number of Performance Rights has been calculated in accordance with the following formula:

$$0.3 \quad \times \quad \frac{\text{Fixed Pay}}{\$7.4042}$$

- Where Fixed Pay equates to Mr Ianniello's annual fixed remuneration as Managing Director which is \$1,004,863; and
- \$7.4042 is the volume weighted average of the market prices at which Shares were traded on ASX for the five trading days following the release of the Company's FY22 results, commencing on 19 August 2022 and ending on close of business 25 August 2022.

Rights attaching to Performance Rights

A Performance Right is a right to acquire one Share which can be exercised once the Performance Right has become exercisable and provided it has not lapsed.

A Performance Right does not give the holder a legal or beneficial right to Shares and does not enable the participating executive, in this case Mr Ianniello, to receive dividends or any other shareholder benefit by virtue of the issue of these rights unless and until that Performance Right has been exercised and the Share issued.

Exercise of Performance Rights

Performance Rights are exercisable:

- if the Company meets the performance hurdle during the performance period;
- at the discretion of the Board, if an event occurs such as a takeover bid for, or the winding up of, the Company; or
- if the Board allows early exercise on the cessation of employment in certain circumstances.

Performance Period

The performance period is the period commencing on 1 July 2022 and ending on 30 June 2025 (**Performance Period**).

Performance Hurdle

The Performance Rights will vest and become exercisable if the Performance Hurdle is satisfied over the Performance Period in the following circumstances:

- the Performance Hurdle will be met if the Company exceeds the aggregate threshold earnings per share (eps) over the Performance Period as set out in the table below;

- all of the Performance Rights will vest and be exercisable if the Company equals or exceeds the aggregate range eps as set out in the table below;
- if the Company achieves an aggregate eps greater than the threshold eps but less than the range eps, the number of Performance Rights that will vest and be exercisable will be calculated on a pro rata basis in accordance with the following formula:
 - $A = (B - C) / D \times E$
 - Where:
 - A = the number of Performance Rights that will vest and become exercisable (rounded down to the nearest whole number)
 - B = the aggregate actual eps over the Performance Period
 - C = the aggregate threshold eps
 - D = the aggregate range eps less the aggregate threshold eps
 - E = the number of Performance Rights issued as set out above.

Year ended	Threshold eps	Range eps
30 June 2022 *(base eps)	48.24	48.24
30 June 2023	49.21	52.10
30 June 2024	50.19	56.27
30 June 2025	51.20	60.77
Aggregate – 3 years to 30 June 2025	150.60	169.15

**Base eps of 48.24 cents has been calculated using a net profit after tax of \$87.3 million as determined by the board for the purpose of the long term incentive plan. The net profit after tax used to calculate the base eps is the average of the actual results achieved in the previous three (3) financial years.*

The Performance Hurdle eps figures have been set on the basis of cumulative annual compounding growth in eps.

The Performance Hurdle threshold is equivalent to the Company achieving an aggregate compound annual growth of 2% per annum in respect of eps for the Performance Period.

The Performance Hurdle range is equivalent to the Company achieving an aggregate compound annual growth rate of 8% per annum in respect of eps for the Performance Period.

If an eps figure for a particular year is not achieved, the threshold eps or range eps will still be met if the aggregate eps in the Performance Period is equal to or exceeds the amounts set out in the table above.

For the purposes of assessing satisfaction of the Performance Hurdle, if the board assesses that any matter has significantly (adversely or positively) impacted on the reported net profit after tax during the Performance Period, the eps figure used to determine the satisfaction (or otherwise) of the Performance Hurdle may be adjusted at the sole discretion of the board.

Issue Price and Exercise Price

Each Performance Right will be issued to Mr Ianniello for no consideration and will have a nil exercise price. As such, there are no loans in relation to this acquisition. If the Performance Right vests it would allow Mr Ianniello (or his nominee) to exercise the Performance Right and be issued with a Share.

Exercise Period

Once the Performance Rights have become exercisable, Mr Ianniello will need to exercise those rights within 12 months from the date on which they vest and become exercisable, or they will lapse and there will be no further entitlement to any Shares. This period may be shortened in certain circumstances if the Performance Rights have not lapsed.

Bonus issue and capital reconstruction of the Company

The number of Shares to which Mr Ianniello will become entitled on exercise of the Performance Rights will be adjusted to take account of any bonus issues, rights issues or reconstructions which the Company undertakes between the date of allocation of the Performance Rights and the exercise of those rights.

Cessation of employment

Performance Rights lapse immediately if Mr Ianniello's employment with the Company is terminated for misconduct or any other reason justifying termination without notice.

In the case of Mr Ianniello's employment ceasing due to death or permanent disablement, redundancy, retirement, agreement between the Company and Mr Ianniello or from a sale of all or substantially all of the shares or assets of the Company:

- Performance Rights which have otherwise become exercisable remain exercisable up until the end of the exercise period; and
- the Board has a discretion to treat the remaining Performance Rights as exercisable and to set the exercise period for them.

In all other cases where employment ceases, Performance Rights that have not vested and become exercisable will lapse immediately, and Performance Rights that have vested and are exercisable will lapse at the end of 30 days.

Restriction on the disposal of Shares

The Plan provides that 90% of any Shares issued on exercise of the Performance Rights will be restricted from disposal for a further period of two years from the date of issue of the Shares. The remaining 10% of the Shares issued on exercise of the Performance Rights will be restricted from disposal until 12 months after cessation of Mr Ianniello's employment with the Company.

Forfeiture of Shares

Shares issued to Mr Ianniello on exercise of his Performance Rights may be forfeited if he perpetrates fraud against the Company or any of its subsidiaries (**Codan group**), acts dishonestly or breaches his obligations to any member of the Codan group, including any of those obligations that survive cessation of employment.

The right of the Company to cause the Shares, which have been issued on exercise of the Performance Rights, to be forfeited, expires at the end of the relevant restriction period.

Directors' Recommendation

Other than Mr Ianniello (to whom the Performance Rights are to be issued), the directors recommend that shareholders approve the grant of the Performance Rights contemplated by Resolution 4.
