9 September 2022

Dear Shareholder

MONEYME'S EXTRAORDINARY GENERAL MEETING

On behalf of the Board of Directors of MoneyMe Limited (**MoneyMe** or the **Company**), I am pleased to invite you to an Extraordinary General Meeting of Shareholders of MoneyMe (**EGM** or **Meeting**), to be held on Tuesday, 11 October 2022 commencing at 11:00am (Sydney time).

The Meeting has been primarily called to consider the resolutions in relation to the conditional components of the Company's capital raising announced to ASX on 31 August 2022 (**Capital Raising**). The Meeting will also consider a resolution to ratify the issue of shares already issued by the Company under the unconditional component of the Capital Raising.

Background to Meeting

The past financial year has been a game-changer for MONEYME, as the business delivered on its growth strategy through strong operational execution in a challenging macroeconomic environment.

MONEYME capitalised on the increasing demand for its innovative consumer lending products and the strategic acquisition of SocietyOne to achieve critical scale, which along with increased automation and technology-driven efficiencies provide significant operational advantages.

Customer receivables increased by 305% to \$1.35 billion, while the focus on originating secured assets through the Autopay product has supported an overall increase in the credit quality of our loan portfolio and increased MONEYME's resilience in an evolving market.

Our step change in scale has required a similar step change in financial capacity, which is reflected in a further diversification of our funding structures and a 4x increase in our funding capacity to \$1.7 billion.

On 31 August 2022, MONEYME announced a \$20 million institutional placement. This letter aims to provide further clarity on how the additional capital will support the successful execution of our strategy for the year ahead.

An increase in equity capital is necessary for the growth in our balance sheet and to continue to service customer demand, while balancing the subordination requirements of our warehouse funding structures. The capital raised will also be used to fund upfront commissions to brokers and pay the transaction costs of the raise.

In addition, while our funding partners have been highly supportive of the growth in the business and have provided waivers of certain financial requirements to allow us to progress with our strategy, the equity raised will help support the liquidity requirements of our corporate debt facility.

Subject to shareholder approval at the EGM, Directors have committed to invest \$1.2 million via a fully subscribed Director placement to demonstrate their confidence in the business and alignment with all shareholders.

The institutional investor placement raised \$17.84 million through an underwritten unconditional component, and a further underwritten \$2.16 million of commitments which will require the approval of shareholders at the EGM under ASX Listing Rules.

MONEYME values all its shareholders and previously announced its commitment to offer a retail share

purchase plan (SPP) to raise \$1.2 million on the same terms as the institutional and director placements. As noted in the previous announcement, should there be sufficient shareholder demand, MONEYME will consider accepting over-subscriptions above the intended \$1.2 million cap under the SPP.

The EGM will seek shareholder approval of resolutions to authorise the \$1.2 million Director placement and the conditional \$2.16 million portion of the institutional investor placement. Shareholder approval will also be sought to replenish the Company's placement capacity under ASX Listing Rules by ratifying the prior issue of shares under the unconditional placement. This will enable the SPP to be conducted at the same issue price as the other placements.

The Directors of MONEYME are of the view that the Capital Raising is in the best interests of the Company and they encourage you as a shareholder to vote in favour of the resolutions at the EGM.

We also encourage you to read the recent annual results presentation in our Investor Centre for full details on the success of MONEYME and the opportunities we seek to pursue.

We strongly believe that our ability to meet the demand for innovative consumer lending products presents a strong opportunity to achieve measured and profitable growth as we seek to establish the business as the number one challenger to traditional lenders.

Direct Voting

Alternatively, a Shareholder may vote directly in accordance with the instructions contained on the Voting Form. If a Shareholder who is entitled to vote at the Meeting appoints a proxy, they may specify the way that the proxy is to vote in relation to a Resolution and indicate that the specification is to be

regarded as a direct vote. A direct vote will enable Shareholders to vote on the Resolutions considered at the Meeting by lodging their votes with the Company prior to the Meeting (and by the deadline set out in the 'Submission of Voting Forms' section below). Direct voting is another way for Shareholders to exercise their voting rights at the Meeting.

If you cast a direct vote prior to the Meeting you may still participate in the Meeting. If you participate in the Meeting, the Chair has determined that your direct vote will not be cancelled unless you cast a live vote during the Meeting.

Appointment of Proxy

If you are a Shareholder entitled to attend and vote, you may appoint a proxy to attend and act on your behalf at the EGM or to cast a direct vote in advance of the Meeting. A proxy need not be a shareholder of the Company and can be an individual or a body corporate. You may appoint a proxy either online at <https://investorcentre.linkgroup.com> or by completing and submitting a Voting Form prior to the Meeting.

If a Shareholder is entitled to cast two or more votes at the EGM, the Shareholder may appoint one or two proxies. If two proxies are appointed, the appointing Shareholder may specify the proportion or number of their votes each proxy is appointed to exercise. In accordance with Rule 5.11(f)(i) of the Company's Constitution, if no proportion or number is specified, each proxy may exercise half of the Shareholder's votes. If you require an additional Voting Form, please contact the Share Registry on 1300 554 474.

Submission of Voting Forms

To be effective, your completed Voting Form must be received at the Share Registry of the Company no later than **11:00am (Sydney time) on Sunday, 9 October 2022**, being 48 hours before the start of the EGM. An original or a certified copy of any power of attorney under which the form was signed must also be received by this time unless previously provided to the Share Registry. Proxies must be received before that time by one of the following methods:

The power of attorney (or a certified copy of it) must be received by the Share Registry no later than 11:00am (Sydney time) on Sunday, 9 October 2022, being 48 hours before the start of the EGM.

Corporate Representatives

A body corporate which is a Shareholder, or which has been appointed as a proxy, is entitled to appoint any person to act as its representative at the EGM. The appointment of the representative must comply with the requirements under section 250D of the Corporations Act. The representative should provide to the Company's share registry a properly executed letter or other document confirming its authority to act as the company's representative prior to the EGM. A Certificate of Appointment of Corporate Representative form may be obtained from the Company's Share Registry or online at <https://investorcentre.linkgroup.com>.

Voting and Required Majority

The Resolutions are ordinary resolutions, which will be passed if a simple majority of votes cast on the relevant Resolution are in favour of the relevant Resolution. Voting on each of the proposed Resolutions at this Meeting will be conducted by a poll, rather than on a show of hands. Subject to the voting exclusions, on a poll every Shareholder has one vote for each Share held.

Chair's Voting Intentions

If you appoint the Chair of the Meeting as your proxy, or the Chair becomes your proxy by default, and you do not direct your proxy how to vote on the Resolutions, then by submitting the Voting Form you will be expressly authorising the Chair to exercise your proxy on the Resolutions. Subject to any voting exclusions or restrictions, the Chair of the Meeting intends to vote all available undirected proxies in favour of the Resolutions.

The Chair's decision on the validity of a direct vote, vote cast by a proxy or vote cast by a Shareholder (including by attorney or corporate representative) is conclusive.

Shareholder Questions

Shareholders will be given a reasonable opportunity during the EGM to ask questions or make comments in relation to the business of the Meeting. Questions may be asked during the EGM in person, via the Online Platform or via telephone.

Shareholders and proxyholders may ask questions via the Online Platform by typing those questions into the Online Platform. Shareholders wishing to ask questions via the Online Platform will need their SRN or HIN which is printed at the top of their Voting Form. Proxyholders wishing to ask questions via the Online Platform will need their proxy code, which the Share Registry will provide via email no later than 24 hours prior to the EGM.

To request a PIN, please contact the Share Registry on 1800 990 363 by no later than **5.00pm on Friday, 7 October 2022**. Dial-in details for the EGM and contact details for the Share Registry are included in the Virtual Meeting Online Guide. Even if you plan to ask questions by telephone, you will still need to log into the Online Platform if you wish to vote electronically during the Meeting.

Shareholders who are unable to attend the EGM or who may prefer to submit questions in advance may do so by logging onto <https://investorcentre.linkgroup.com>, selecting Voting then clicking Ask a Question.

To allow time to collate questions and prepare answers, please submit any questions by **7:00pm (Sydney time) on Wednesday, 5 October 2022**. Questions will be collated and, during the EGM, the Chair will seek to address as many of the more frequently raised topics as possible. However, there may not be sufficient time available at the EGM to address all topics raised. Please note that individual responses will not be sent to Shareholders.

Conduct of Meeting

MoneyMe is committed to ensuring that its Shareholder meetings are conducted in a manner which provides Shareholders and proxyholders who attend the meeting with the opportunity to participate in the business of the meeting in an orderly fashion and to ask questions about and comment on matters relevant to the business of the meeting or about the Company generally. MoneyMe will not allow conduct at any Shareholder meeting which is discourteous to those who are present at the meeting, or which in any way disrupts or interferes with the proper conduct of the meeting. The Chair of the Meeting will exercise his powers as Chair to ensure that the Meeting is conducted in an orderly and timely fashion, in the interests of all attending Shareholders.

In the event that technical issues arise during the Meeting, MoneyMe will have regard to the impact of those issues on Shareholders participating and casting votes online and the Chair of the Meeting may, in exercising his powers as Chair, issue any instructions for resolving the issue and may continue the Meeting if it is appropriate to do so.

EXPLANATORY MEMORANDUM

This Explanatory Memorandum has been prepared to assist Shareholders to consider the Resolutions set out in the Notice of Meeting. It forms part of and should be read in conjunction with the Notice of Meeting. The Board recommends that Shareholders read this Explanatory Memorandum in full before making any decision in relation to the Resolutions.

The Board also recommends that Shareholders review the Company's ASX Announcements dated 31 August 2022 in respect of the Capital Raising, including the accompanying Investor Presentations (which, for the avoidance of doubt, includes the FY22 Results Presentation) before making any decisions in relation to the Resolutions.

Capitalised terms not otherwise defined in this Notice of Meeting and Explanatory Memorandum are defined in the Glossary contained in this Explanatory Memorandum.

1 Overview of the Capital Raising

On 31 August 2022, MoneyMe announced that it had received firm commitments from Professional and Sophisticated Investors in a fully underwritten share placement to raise approximately \$20m by the issue of 40,000,000 Shares at an issue price of \$0.50 per Share, comprising:

- (a) an unconditional tranche, comprising 35,677,083 Shares to raise approximately \$17.84m which were issued on or around Monday, 5 September 2022 within the Company's 15% placement capacity under the ASX Listing Rule 7.1 (**Unconditional Placement**); and
- (b) a conditional tranche, comprising 4,322,917 Shares to raise approximately \$2.16m, with the issue being subject to and conditional upon Shareholder approval under ASX Listing Rule 7.1 (**Conditional Placement**),

(together, the **Placement**).

At the same time as the Placement, the Company also announced it had received commitments from four Directors to subscribe for 2,400,000 Shares to raise approximately \$1.2m, with the issue being subject to and conditional upon Shareholder approval under ASX Listing Rule 10.11 (**Director Offer**, together with the Placement, the **Capital Raising**).

Barrenjoey Markets Pty Ltd acted as sole lead manager, bookrunner and underwriter for the Placement (**Lead Manager**). The Director Offer is not underwritten.

The Capital Raising is expected to raise up to \$22.2m and proceeds from the Capital Raising will be primarily used to fund transaction costs, support its existing debt facilities and fund new growth across its key products. Further details in relation to the Capital Raising are included in the FY22 Results Presentation released to the market on 31 August 2022.

In respect of the Director Offer, the following four Directors (or their nominees) (the **Participating Directors**) intend on participating as follows:

Director	Number of Shares	Amount raised
Clayton Howes	1,000,000	\$500,000

Jonathan Lechte	200,000	\$100,000
Total	2,400,000	\$1,200,000

Approval for the issue of 2,400,000 Shares under the Director Offer to the Participating Directors who are Related Parties of the Company is subject to and conditional upon Shareholder approval under ASX Listing Rule 10.11.

2 Resolution 1 – Ratification of the issue of Shares under Unconditional Placement

2.1 Background to Resolution 1

Information regarding the Capital Raising and Unconditional Placement is set out in Section 1 of this Explanatory Memorandum above.

Resolution 1 seeks Shareholder ratification pursuant to ASX Listing Rule 7.4 for the issue of 35,677,083 Shares under the Unconditional Placement under ASX Listing Rule 7.1.

2.2 ASX Listing Rules 7.1 and 7.4 and purpose of Resolution 1

Broadly speaking, and subject to a number of exceptions, ASX Listing Rule 7.1 limits the amount of equity securities that a listed company can issue or agree to issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary shares it had on issue at the start of that period.

The issue of the Shares under the Unconditional Placement does not fit within any of the exceptions to ASX Listing Rule 7.1 and, as it has not yet been approved by the Company's Shareholders, it effectively uses up part of the 15% limit in ASX Listing Rule 7.1, reducing the Company's capacity to issue further equity securities without Shareholder approval under ASX Listing Rule 7.1 for the 12 month period following the date on which the Warrants were issued.

ASX Listing Rule 7.4 allows the shareholders of a listed company to approve an issue of equity securities after it has been made or agreed to be made. If they do, the issue is taken to have been approved under ASX Listing Rule 7.1 and so does not reduce the Company's capacity to issue further equity securities without Shareholder approval under that rule.

If Resolution 1 is not passed, the issue of Shares under the Unconditional Placement will be included in calculating the Company's 15% limit in ASX Listing Rule 7.1, effectively decreasing the number of equity securities MoneyMe can issue without Shareholder approval over the 12 month period following the issue date of the Warrants.

The Company wishes to retain as much flexibility as possible to issue additional equity securities into the future without having to obtain Shareholder approval for such issues under ASX Listing Rule 7.1. In particular, and as announced in the FY22 Results Presentation on 31 August 2022, if Resolution 1 is passed the Company intends on making an offer of new Shares to all existing Shareholders under a share purchase plan (**SPP**). The issue price payable per Share the SPP is intended to be the same price under the Capital Raising, being \$0.50 per Share. The SPP will not be underwritten and may raise up to \$1.2m, however the Company retains the right to accept oversubscriptions or to scale back applications (or whole or in part) at its absolute discretion that may result in the SPP raising more or less than \$1.2m. The Company will have regard to the size of eligible Shareholders' record date shareholding in exercising that discretion.

To this end, Resolution 1 seeks Shareholder ratification pursuant to ASX Listing Rule 7.4 for the issue of Shares under the Unconditional Placement.

2.3 Information required by ASX Listing Rule 7.5

For the purposes of ASX Listing Rule 7.5, the following information is provided to Shareholders in relation to Resolution 1:

The names of the persons to whom the Company issued the securities or the basis upon which those persons were identified or selected	Professional and Sophisticated Investors determined by the Company in agreement with the Lead Manager including Perennial Value Management Limited (a substantial holder of the Company).
The number and class of securities the Company issued	35,677,083 Shares
If the securities are not fully paid ordinary securities, a summary of the material terms of the securities	Shares issued under the Unconditional Placement rank equally with all other fully paid ordinary shares on issue in the Company.
The date on which the securities were issued	Tuesday, 6 September 2022
The price or other consideration the Company has received for the issue	\$0.50 per Share
The purpose of the issue, including the use or intended use of the funds raised by the issue	<p>The proceeds from the Capital Raising will be utilised for equity subordination requirements in the Company's warehouse facilities to support continued loan book growth, and payment of associated upfront commissions to brokers. They will also be used to support the Company's existing debt facilities and fund transaction costs.</p> <p>Further details in relation to the Capital Raising are included in the FY22 Results Presentation released to the market on 31 August 2022.</p>

2.4 Board recommendation

The Directors unanimously recommend that Shareholders vote in favour of Resolution 1.

2.5 Voting exclusion statement

A voting exclusion statement with respect to Resolution 1 is included in the Notice of Meeting.

3 Resolution 2 – Approval of the issue of Shares under the Conditional Placement

3.1 Background to Resolution 2

Information regarding the Capital Raising and Conditional Placement is set out in Section 1 of this Explanatory Memorandum above.

Resolution 2 seeks Shareholder approval pursuant to ASX Listing Rule 7.1 for the issue of 4,322,917 Shares under the Conditional Placement.

3.2 ASX Listing Rule 7.1 and purpose of Resolution 2

The general effect of ASX Listing Rule 7.1 is described above in Resolution 1.

The agreement to issue Shares under the Conditional Placement does not fall within any of the exceptions to ASX Listing Rule 7.1 in ASX Listing Rule 7.2 and exceeds the 15% limit in ASX Listing Rule 7.1. The issue of Shares under the Conditional Placement therefore requires the approval of Shareholders for the purposes of ASX Listing Rule 7.1.

If Resolution 2 is passed, the Company will be able to proceed with the issue of Shares under the Conditional Placement. In addition, the issue of Shares under the Conditional Placement will be excluded from the calculation of the number of equity securities that the Company can issue without Shareholder approval under ASX Listing Rule 7.1.

If Resolution 2 is not passed, the Company will not be able to proceed with the issue of Shares under the Conditional Placement and the Company will receive up to \$2.16 million less cash in connection with the Capital Raising, which could, in turn, adversely impact the Company's ability to implement the funds in accordance with their proposed use under the Capital Raising.

3.3 Information required by ASX Listing Rule 7.3

Pursuant to and in accordance with ASX Listing Rule 7.3, the following information is provided in relation to Resolution 2:

The names of the persons to whom the Company will issue the securities or the basis upon which those persons will be identified or selected	Professional and Sophisticated Investors determined by the Company in agreement with the Lead Manager, including Perennial Value Management Limited (a substantial holder of the Company).
The number and class of securities that the Company will issue	4,322,917 Shares.
If the securities are not fully paid ordinary securities, a summary of the material terms of the securities	Shares issued under the Conditional Placement rank equally with all other fully paid ordinary shares on issue in the Company.
The date by which the Company will issue the securities	If Shareholders approve Resolution 2, the Company expects to issue the Shares under the Conditional Placement on or around Wednesday, 12 October 2022, but in any event by no later than 3 months after the date of the EGM.
The price or other consideration the Company will receive for the securities	\$0.50 per Share
The purpose of the issue, including the intended use of funds raised by the issue	The proceeds from the Capital Raising will be utilised for equity subordination requirements in the Company's warehouse facilities to support continued loan book growth, and payment of associated upfront commissions to brokers. They will also be used to support the Company's existing debt facilities and fund transaction costs.

	Further details in relation to the Capital Raising are included in the FY22 Results Presentation released to the market on 31 August 2022.

3.4 Board recommendation

The Directors unanimously recommend that Shareholders vote in favour of Resolution 2.

3.5 Voting exclusion statement

A voting exclusion statement with respect to Resolution 2 is included in the Notice of Meeting.

4 Resolutions 3, 4, 5 & 6 – Approval for the issue of Shares to the Participating Directors under the Director Offer

4.1 Background to Resolution 3, 4, 5 & 6

Information regarding the Capital Raising and Director Offer is set out in Section 1 of this Explanatory Memorandum above.

Resolutions 3, 4, 5 & 6 seek Shareholder approval pursuant to ASX Listing Rule 10.11 for the issue of 2,400,000 Shares under the Director Offer to the Participating Directors.

4.2 ASX Listing Rule 10.11 and purpose of Resolutions 3, 4, 5 & 6

ASX Listing Rule 10.11 provides that, unless one of the exceptions in ASX Listing Rule 10.12 applies, a listed entity must not issue or agree to issue equity securities to certain persons identified in ASX Listing Rule 10.11, being:

- (a) a Related Party;
- (b) a person who is, or was at any time in the 6 months before the issue or agreement, a substantial (30%+) holder in the Company;
- (c) a person who is, or was at any time in the 6 months before the issue or agreement, a substantial (10%+) holder in the Company and who has nominated a director to the board of the Company pursuant to a relevant agreement which gives them a right or expectation to do so;
- (d) an associate of a person listed in ASX Listing Rules 10.11.1 to 10.11.3; or
- (e) a person whose relationship with the Company or a person referred to in ASX Listing Rules 10.11.1 to 10.11.4 is such that, in ASX's opinion, the issue or agreement should be approved by its Shareholders,

unless it obtained approval of the holder of its ordinary shares.

The issue of Shares to the Participating Directors under the Director Offer falls within Listing Rule 10.11.1 as each Participating Director is a Director and does not fall within one of the exceptions in Listing Rule 10.12. It therefore requires the approval of Shareholders under Listing Rule 10.11.

The predominant purpose for including the Director Offer was to support the marketing of the Placement to new and existing institutional investors by demonstrating the Participating Directors' strong belief in the future prospects of the Company.

If Resolutions 3, 4, 5 & 6 are passed, the Shares offered to each Participating Director under the Director Offer will be issued and these Shares will be excluded from the calculation of the number of equity securities that the Company can issue without Shareholder approval under ASX Listing Rule 7.1 (by virtue of ASX Listing Rule 7.2, exception 9).

If Resolutions 3, 4, 5 & 6 are not passed, the Company will not be able to proceed with the issue of Shares to each Participating Director (as applicable) under the Director Offer and the Company will receive up to \$1.2m less cash in connection with the Capital Raising, which could, in turn, adversely impact the Company's ability to implement the funds in accordance with their proposed use under the Capital Raising.

4.3 Chapter 2E of the Corporations Act

The Directors (with the Participating Directors abstaining) have considered that Shareholder approval pursuant to Chapter 2E of the Corporations Act is not required in respect of Resolutions 3, 4, 5 & 6 because the Shares offered under the Director Offer will be granted to each Participating Director on an arm's length basis and therefore falls within the exception contained in section 210 of the Corporations Act. This is because the Shares offered under the Capital Raising (which, for the avoidance of doubt, includes the Unconditional Placement, the Conditional Placement and the Director Offer), are being made on the same terms to all other participants in the Capital Raising, regardless of whether they are a Related Party of the Company.

4.4 Information required by ASX Listing Rule 10.13

For the purposes of ASX Listing Rule 10.3, the following information is provided to Shareholders in relation to Resolution 3, 4, 5 & 6:

The names of the person	<ul style="list-style-type: none"> Resolution 3 – Clayton Howes Resolution 4 – Scott Emery Resolution 5 – Peter Coad Resolution 6 – Jonathan Lechte

The date by which the Company will issue the securities	If Shareholders approve Resolutions 3, 4, 5 & 6 the Company expects to issue the Shares to each Participating Director under the Director Offer (as applicable) on or around Wednesday, 12 October 2022, but in any event by no later than 1 month after the date of the Extraordinary General Meeting.
The price or other consideration the Company will receive for the securities	\$0.50 per Share

4.5 Board recommendation

The Directors (with each Participating Director abstaining) unanimously recommend that Shareholders vote in favour of Resolutions 3, 4, 5 & 6.

4.6 Voting exclusion statement

A voting exclusion statement with respect to Resolutions 3, 4, 5 & 6 is included in the Notice of Meeting.
